

IMPORTANT BUS INFORMATION

Once Buses drop your team at The Armory, instruct the driver to proceed to 155 Street to park and wait during the meet. If your bus parks anywhere near The Armory your team risks disqualification. The Armory staff does check!!

When your team is done with competition and you are ready to leave The Armory call your driver and arrange for pickup. Your team must wait upstairs in the Stands. Your team MAY NOT wait in the lobby.

When your driver has the bus in place for pickup your team may then proceed from the stands to the bus.

Any team or coach who does not adhere to the BUS RULES risks team disqualification and NOT being invited back to meets at the Armory.

We know the last thing coaches want to do is deal with their bus, but in this case we hope you understand why these policies are important.

Thank You,
The Meet Directors
