

On Line Cancer Assignment for Health 10 - Mr. Brown.

1. Study Mr. Brown's [diagram](#) of Cancer Cell Formation.

2. Find an on line image or slide show or short video to illustrate the following cancer vocabulary words found in the diagram:

Cell Division -
Carcinogenic Factor -
Abnormal Cells -
Tumor -
Benign -
Malignant -
Cancer -

3. Prepare a google document in the following way:

List the word, Then list the hyperlink (make sure it is active), Then write a short paragraph explaining the linked media. Make sure you include the type of media linked (image, slide show, video). Do this for all 7 words.

4. Share the document with Mr.Brown: "RHS-MrBrown's10GradeHealth"
