**Comment:** The Pawlowski Relays returned to Ridgewood after a 5 year absence. The weather was not welcoming! The cold rain was heavy and the two hour period at the beginning of the meet (9am to 11- 11:30am) was the worst weather we had had all season and in fact turned out to be the worst weather we had for the entire season! The new facility at BF handled the big meet and the weather beautifully. And the Ridgewood girls competed head down tough into the driving rain and won the trophy!
