Comment: Great Job in a tough meet. We were seeded 14th and came in 10th! Catherine's split was the 2nd fastest in the race and would have placed her 5th in the open race. Franklin Field is a tough place to run fast. The clerking/warm up area is very cramped and limited, athletes are not able to jog and stride 5 and 10 minutes before the race when it is most critical. We ran our best time this year and ran proud!
