GIRLS' TRACK OPENS WITH LOSS

The girls' track team opened its season with a loss to Wayne Valley. Mr. Jacob Brown, health teacher and rookie coach of the team, said that the girls put forth a fine effort despite only a month of preparation.

"They're a year or two ahead of us," Mr. Brown said, comparing the Maroon team's organization to that of Wayne Valley. Last year, a track team was formed but no competition was organized.

Senior Sheila Judge came in second in the 100-yard dash, clocking in at 12.9, while sophomore Mary Hiller, also placing second, ran the 440 in 70.7 seconds. Junior Sue Holstein pulled a third in the discus with a throw of 70' 9 1/2". Sophomores Terry Bowman and Sue McBride came in second and third respectively in the 880. Junior Erica d'Elia, a promising hurdler, was unable to attend the first meet.

"Most of the team are sophomores," Mr. Brown offered. While expressing enthusiasm for the forthcoming seasons, Coach Brown mentioned that 30 ninth-grade girls signed up at their junior high schools, which he feels is a good sign for the future.

The girls will compete in an 880 relay event tomorrow at the Englewood Memorial Meet. May 9 and 11 will find the team at home for two dual meets. On May 20, the girls will attend the Monmouth State meet.
