 Rose Stephens

## Relay Event Lures 46 Schoolgirl Track Teams

Jack Rafter

RED BANK — Forty-six teams, including four from outside the state, will compete in the first annual Garden State Girls Track and Field Relay Festival on May 4 at Monmouth College in West Long Branch.

New Jersey powers Red Bank Catholic, Toms River South, Matawan Regional, Monmouth Regional, Bernards, and Jefferson Township will be joined by Dover Air Force Base High School and Lake Forest Senior High School, both from Delaware; Rye Neck N.Y. High School and Kennedy Christian High School from Sharon, Pa. The Kennedy Christian team will travel 600 miles to perform.

Meet coordinator Jack Rafter said the program, consisting of 12 relay events, will be contested on an all-weather track. All major metropolitan newspapers and Futarevision, a local closed circuit television organization, will provide coverage.

The relays will be divided into three groups, Invitational, Group I, and Group II. Any team was permitted to enter the Invitational section. If not, they were placed in Group I (female enrollment over 500) or Group II (female enrollment 0-500). However, all New Jersey Group III and IV schools

were placed in Group I because of their size.

The Invitational Championship Two-Mile Relay is expected to be the best race of the day even though only three schools are entered. Red Bank Catholic and Ridgewood will compete for this title with the possibility that the 10-minute barrier will be broken. East Brunswick is also entered.

Paul VI of Haddonfield in Group I and St. Joseph of Toms River in Group II are possible winners in their two-mile contests.

East Orange High School, which already has posted a blazing 49.8 for the event, will be the favorite in the Invitational 400 relay. Monmouth Regional should take this distance in Group I, while Shore Regional and Jefferson High School should battle for the Group II championship.

The 800 Relay will be closely contested, since the teams entered have posted times within two or three-tenths of a second of each other. Monmouth Regional may be the best of the group.

Red Bank Catholic should take the Invitational Distance Medley, but Saddle Brook and Jefferson are contenders. In the same event, Woodbridge and Rumson-Fair Haven should provide the best

times in Group I and Mater Dei and Point Pleasant Beach in Group II.

In the four-mile relay, Red Bank Catholic, their team drawn from 80 cross-country runners, stands unopposed. Haritan could come up with the Group I title, and Mater Dei and Jefferson should contest the Group II crown in this event.

The mile relay, a new event in high school girls track, should be a battle between Red Bank Catholic and East Orange with records likely to fall in the invitational event. Paul VI of Haddonfield and Toms River South should battle for this Group I championship, while Jefferson Township and Hillsboro are strong Group II contenders.

Piscataway should take the High Jump invitational and also contest the discus relay with Red Bank Catholic in the invitational area. North Bergen and Point Pleasant Boro in Group I and visiting Kennedy Christian and Saddle Brook in Group II should fare well.

Red Bank Catholic (Invitational), Toms River South (Group I), and Bernards (Group II) should win the javelin relays. Matawan is a strong favorite to take the shot put event in the invitational ranks.
