The girl's cross country team, under the direction of coach Jacob Brown, experienced a rebuilding year as only one of the top five runners had any previous experience in the sport. Yet despite this, the tracksters still managed to compile a record of 2-2 in dual meets, win the first NNJIL girl's cross country championship, and place third in the Bergen County championships.

Margaret Vandermeys, the only returning letter winner, led the team to victories over Hackensack and DePaul and placed 13th in the county championships. Alyson Grunder, Barb Lange, Jamie and Jan Nicholson, and Jeanette Stemley were the other scorers responsible for the girl's unexpected showing this fall.

Boys' Cross Country

The boy's cross country team had an excellent season this fall under the fleet feet of Ed Quinn, Rob Lane, Paul McCubbin, and Jerry Thompson. The team, behind the expert coaching of Mr. Larry Coyle, trotted their way to a 9-0 record and won the league meet before jogging off proudly into the sunset.
