The Olympics
Montreal, Canada

I hope you^{are} enjoying your vacation as much as I am. Needless to say I am enjoying Montreal and the Olympic track and field events. Oh by the way, speaking of running *****

RIDGEWOOD GIRL'S CROSS COUNTRY THIS FALL CAN BE

GREAT !!!

I love cross country. I loved running it and I love coaching it. Win, lose, or draw it is an enjoyable sport. However we have the talent this year to have a great team. I have carefully studied the times of all girls who expressed interest in the team before school was out. If you work hard you will have a championship team.

If you want to be on a championship team do the following:

- August 1 to 7 - 20 minutes of running 5 days per week, 8X220 yard or 4X440 yard run on the track 1 day at a slow pace, rest 1 day.
- August 8 to 14 - 30 minutes of running 5 days per week, same track workout 1 day, rest one day.
- August 15 to 21 - 45 minutes of running 5 days per week, same track workout 1 day, rest one day.
- August 22 to 31 - 60 minutes of running 5 days per week, same track workout only faster, rest one day.

ALWAYS include 15 minutes of relaxed stretching exercises before or after you run.

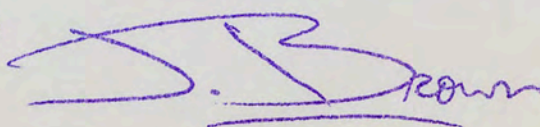

Nothing fancy. Good old fashioned milage running. Try to be running one hour non-stop by September 1st. If you can run for one hour now or sometime before September 1st. just run faster during the one hour period. (ie run more miles!) There is no need to run more than one hour a day in August.

I know not all of you will do this running but it is your team. If 5 or 10 of you train hard now Ridgewood will be great. If you don't the team won't be bad and we will still have fun but I think striving for and achieving greatness is that icing on the cake that can make competitive athletics so special.

A parent permission card and medical history form are enclosed. Have your parents fill them out and bring them to your physical exam. Physicals will be at the end of august but are not scheduled yet. Watch the newspaper for the time or call me (444-5831) about August 24th to get the date.

Schedule: August 1 to 31 RUN RUN RUN
end of august physical exam
September 1st, 2nd, 3rd practice 10:00 am
(meet at the high school track, but don't expect a locker room)

See you then,

Saddle Brook girls triumph

WEST PATERSON — Girls' cross-country continues to grow at a very rapid rate in New Jersey. New names, faces and teams are emerging as the young season develops, but certain things never seem to change.

In the latter category is Saddle Brook which yesterday again was victorious at the Passaic County Invitational at Garret Mountain.

The Falconettes won the B race by a whopping 69-point margin over Hopatcong with a score of 44. Roxbury, which Saddle Brook beat last year before there were two girls' races in this meet, came up the winner in the A race with a score of 72, 27 points ahead of Hunterdon Central.

It's too bad there were separate races as a Saddle Brook-Roxbury matchup would have been an excellent one. The teams virtually were deadlocked on a comparative-time basis.

Jean Chodnicki and Lucille Pasciolla led the way for Saddle Brook in fifth and sixth places, respectively, with Delores Harrison (seventh), Debbie Ceria (10th) and Jo Ann Licata (16th) completing the winning quintet.

The individual star of the day was Columbia frosh Joetta Clark, winner of the A race by 25 yards over Wayne Hills' Nina Zollo. The South Orange girl covered the two miles in 11:49. Sandy Alexander of Roxbury and Michelle Guido of Paramus Catholic, second and third, respectively, in the all-Groups meet last year, could manage only a fourth and a sixth, respectively, giving an indication of many of the new faces starring in the sport.

One familiar face, Fort Lee's Kelly Neilan, continued her excellent running by placing third in the B race in 12:15, fastest time by any Bergen County runner.

Saddle Brook girls prevail

BERNARDSVILLE — Saddle Brook cross-country coach Howie Schuman didn't make the same mistake twice. He let his girls team run in the Bernards Invitational yesterday and the Falcons won the B Division title.

Last year, Schuman decided not to let the girls run when heavy rains fell on the morning of the meet. The team was disappointed and complained to their coach on the bus ride home.

The rains came again yesterday, but this time the girls got the go sign from Schuman. Jean Chodnicki ran 12:09 to win individual honors and Saddle Brook beat Delaware Valley, 35-48, for the title in the 16-school field.

Saddle Brook's boys team wasn't as

fortunate as the girls. The Falcons finished second to Bernards, 39-47, in the C Division race. Saddle Brook won the C title last year, but Bernards, the D Division winner last season, moved up a notch.

Five Saddle Brook girls, paced by Chodnicki's win, finished in the top 13. Lucille Pasciolla was fourth in 12:36.

Rick Bolline of the Falcons was fourth in the boys race, running 16:45. Joe Logan of Bernards was first in 16:31.

Rutherford finished fifth in the C Division with 154 points. Christian Brothers Academy won the A Division title with 55 points and Delbarton took the D Division crown with 62.

Jim Bates of Pascack Hills finished

third in the boys' B Division race in 16:50. Jerry Young of Franklin ran 16:42.5 to win. Franklin won the team title and Northern Highlands was fifth with 159 points.

Saddle Brook and Guido win again

WEST PATERSON — Saddle Brook and Paramus Catholic's Michele Guido successfully defended their titles yesterday in the third annual Bergen County girls cross-country championship at Garret Mountain.

The Falcons, who have won this championship every year it has been run, packed seven girls into the top 14 finishers to achieve a 32-90-92 romping over Paramus Catholic and Ridgewood.

Jean Chodnicki, the lone senior on the team, led the pack in second place. Sophomore Lucille Pasciolla and freshman Delores Harrison were fourth and fifth, respectively. Frosh Claire Lange and sophomore Amy McLaughlin completed the scoring five in 10th and 11th places.

Guido's win reversed a decision of four days ago when she had been beaten by Chodnicki in a dual meet.

"I was with her almost all the way Tuesday," said the happy winner, "but

I died toward the end. Today I didn't."

Guido was content to allow Chodnicki and Fort Lee's Kelly Neilan, the eventual third-place finisher, share the lead

Michele Guido

for the opening mile of the two-mile race. At that point, Guido took command and led the rest of the way, winning by 30 yards.

Guido split two decisions with Chodnicki last year prior to the County meet. "When I beat Jean, everybody thought it was a fluke," said Guido. //But when I beat her again in the County meet, I guess it proved it wasn't a fluke."

It wasn't a fluke last year. It wasn't a fluke yesterday. Michele Guido proved a bonafide Bergen County cross-country champion.

COMPETITORS NUMBERS:

Competitors number is to be worn on the FRONT and BACK OF SHIRT (boys). Girls in FRONT only. If a boy/girl does not have a number as he/she comes out of the shoot he/she is DISQUALIFIED. Coaches are to compile team score and submit it with scorecard and place cards and turn them into the official scorer AS SOON AS POSSIBLE after race! If a boy/girl does not get a place card as he/she comes out of the shoot he/she will be DISQUALIFIED. Please turn in team score as soon as possible.

SCORING PROCEDURE:

In order to conform to the 1976 National Federation Track and Field Rules (Rule 12, Section 3), the following procedure will be followed:

Each team runner will be given two (2) cards as he clears the chute; a WHITE CARD and a card of CONTRASTING COLOR.

The WHITE CARD will be used to determine the team place-finish.

The COLORED CARD will be used to indicate the actual place finish of each runner. Coaches will use only the WHITE CARD to determine total team finish points. Same rule applies as to number of runners (seven to run, five lowest are scored).

The COLORED CARD will only be used to determine first 10 place individual finishers.

Individual qualifiers will be identified by a contrasting colored number worn on their jersey - both front and back. Thus the individual qualifiers will not influence the team scoring, but will be eligible for individual place medals.

IT IS REQUESTED THAT ALL COACHES TURN IN THEIR CARDS (BOTH WHITE AND COLORED) AS SOON AS POSSIBLE AFTER THE CONCLUSION OF THEIR RACE.

It is also imperative that each runner have a number securely fastened on front and back. Each number should be secured at each corner with a pin. Total pins needed - 8 per runner. Any runner crossing the finish line without a number will only delay the finish of the race while determining status.

COACHES:

Anyone cutting course will result in his/her WHOLE TEAM being disqualified. There will be spotters on the course. They will be wearing RED & WHITE vests.

AWARDS:

Team trophy to winning team in each race. Individual medals to FIRST TEN finishers in each race. Individual medals to each member of the:

- 1st place team in each race
- 2nd place team in each race
- 3rd place team in each race

Saddle Brook girls breeze in Group 2

WEST PATERSON—Nina Zollo of Wayne Hills upset previously undefeated Joetta Clark of Columbia in the Group 4 race yesterday to highlight the first New Jersey State Interscholastic Athletic Association's girls sectional cross-country championships at Garrett Mountain.

Zollo, a junior, beat her freshman rival by a stride, covering the two-mile, hilly course in 11:43.

Saddle Brook kept its drive alive for the State all-groups title by scoring a convincing 52-97 victory over Hackettstown to win Group 2. Jean Chodnicki took third in 12:26 to lead the Falcons. Sophomore Lucille Pasciolla followed in fifth (12:40), while the other five Saddle Brook runners all finished in the top 20 to cement the win.

Paramus Catholic's effort to beat one of the State's top Group 3 teams, Roxbury, fell short. The Palladins finished their fifth runner before Roxbury, but the Gaels had runners placing fifth, sixth and seventh to offset a third-place by Michele Guido, PC's Bergen County champ.

The final result, Roxbury 54 and Par-

Jean Chodnicki

amus Catholic 56, was closer than anybody expected. Following Guido were Megan Sextonin ninth, Marianne Bogush in 11th, Chris Pralatto in 20th and Nancy Kelly in 25th.

Memorial of West New York bested Ridgewood for the Group 4 title, 58-84, as the Maroons' first runner, Allison Grunder, finished 15th.

Fort Lee's Kelly Neilan beat Guido out of second place in the Group 3 race, while Kinnelon's Stephanie Bruschi won in Group 1.

The top five teams and 10 individuals in each race advance to Saturday's State group championship at Holmdel.

Congratulations to the individuals and teams that earned an award in the NJSIAA Girls' Sectional Cross Country Championships. These teams and individuals will be competing today for Group Championship Awards. NJSIAA Group Championship awards will be given for each group as follows:

1. Trophy and seven (7) gold medals for first team in each Group.
2. Seven (7) silver medals for second place team in each Group.
3. Seven (7) bronze medals for third place team in each Group.
4. Individual medals for the first ten (10) finishers in each Group.

To qualify for the Meet of Champions, Saturday, November 20, 1976, the first and second place teams from each Group plus the first five (5) finishers from each group will qualify for this meet to determine the state team champion and the state individual champion for both boys and girls.

Scoring Procedure:

In order to conform to the 1976 National Federation Track and Field Rules (Rule 12, Section 3), the following procedure will be followed:

Each team runner will be given two (2) cards as he clears the chute; a white card and a card of contrasting color.

The white card will be used to determine the team - place - finish. Coaches will tally ONLY the white card for team scoring. Please record all seven finishers on the tally card provided in the packet. For team scoring, the coaches will include the best five (5) finishers in the race for the team score. Your runner will not be given credit for her placement if her white card is not turned in with the tally card.

The colored card will be used to indicate the actual place finish of each runner. Coaches will collect two cards (one white and the other colored) from team entries, and only a colored card from individual entries. The colored card will only be used to determine first ten (10) place individual finishers.

Individual qualifiers will be identified by a contrasting colored number worn on their top. Thus, the individual qualifiers will not influence the team scoring, but will be eligible for individual place medals.

IT IS REQUESTED THAT ALL COACHES RETURN THEIR SCORE CARDS AND TALLY(S) BOTH WHITE AND COLORED AS SOON AS POSSIBLE AFTER THE CONCLUSION OF THEIR RACE. THE COACHES WILL FIND THE SCORER'S TABLE LOCATED IN THE SHELTER BUILDING NEAR THE START OF THE RACE. Coaches are reminded that their signature is required on the tally card, and please tally the card as indicated.

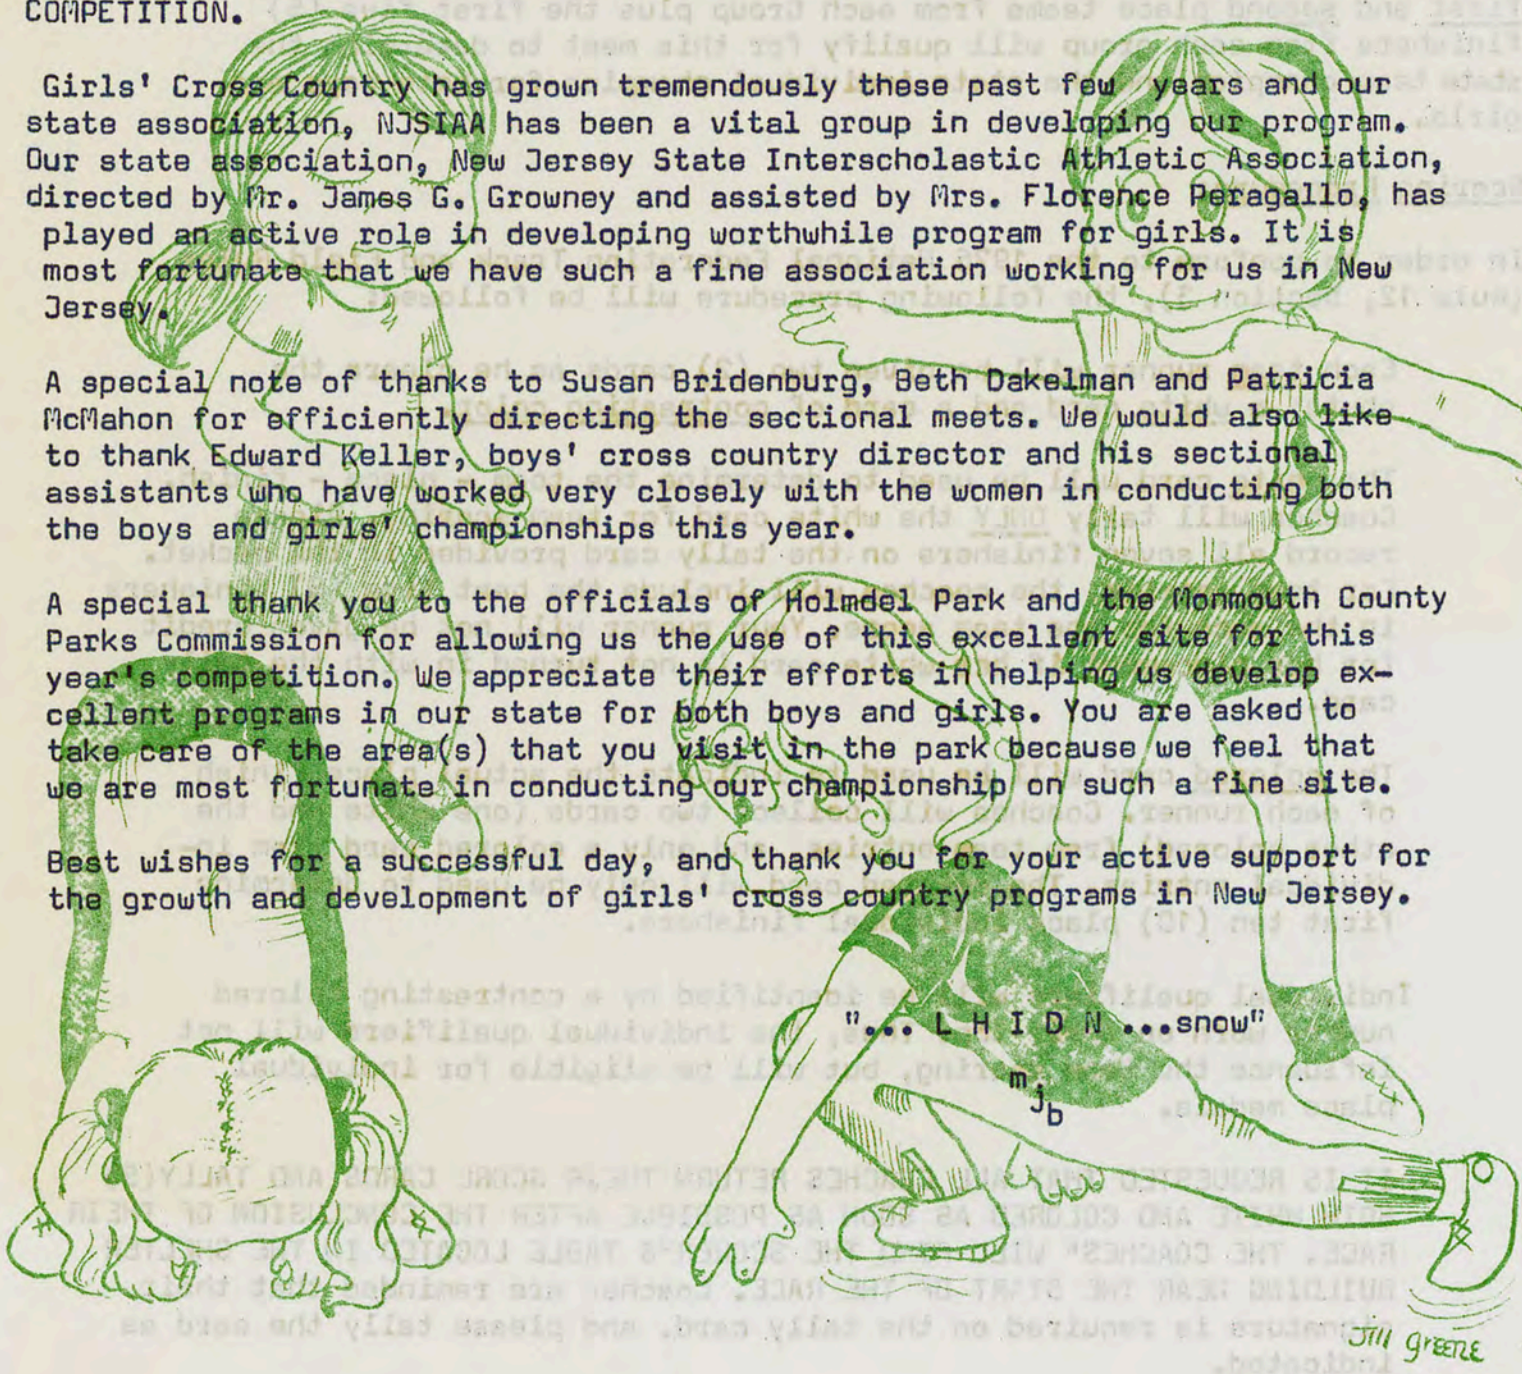

Enclosed in the packet is a copy of the program with a course map. Additional programs may be purchased at the scorer's table. New numbers have been provided and please have each competitor where a number that has been provided for this competition. All team members or individual competitors must wear a number that has been assigned in the competition. Failure to wear the number provided will subject that individual to disqualification from the competition. Girls are requested to wear the number on the front of their uniform. Please use two pins to firmly secure the number. YOU MUST PROVIDE YOUR OWN PINS FOR THE COMPETITION.

Girls' Cross Country has grown tremendously these past few years and our state association, NJSTIAA has been a vital group in developing our program. Our state association, New Jersey State Interscholastic Athletic Association, directed by Mr. James G. Gowney and assisted by Mrs. Florence Peragallo, has played an active role in developing worthwhile program for girls. It is most fortunate that we have such a fine association working for us in New Jersey.

A special note of thanks to Susan Bridenburg, Beth Dakelman and Patricia McMahon for efficiently directing the sectional meets. We would also like to thank Edward Keller, boys' cross country director and his sectional assistants who have worked very closely with the women in conducting both the boys and girls' championships this year.

A special thank you to the officials of Holmdel Park and the Monmouth County Parks Commission for allowing us the use of this excellent site for this year's competition. We appreciate their efforts in helping us develop excellent programs in our state for both boys and girls. You are asked to take care of the area(s) that you visit in the park because we feel that we are most fortunate in conducting our championship on such a fine site.

Best wishes for a successful day, and thank you for your active support for the growth and development of girls' cross country programs in New Jersey.

Saddle Brook girls' champs

HOLMDEL — It's two down and the big one to go for Saddle Brook. The Falconettes won yesterday's Group 2 championship in the New Jersey State Interscholastic Athletic Association's group cross-country meet at Holmdel County Park.

Added to last week's sectional championship at Garret Mountain, Saddle Brook needs only to win Saturday's All-Groups title back here to complete a sweep of State honors.

Only to win? Actually, the All-Groups looks like it will be a stiff task, even following yesterday's easy 69-123 win over Delaware Valley.

Saddle Brook's first two runners, Jean Chodnicki and Lucille Pasciolla (fourth and seventh yesterday) can run with anybody else's top two. But if the Falconettes are to win, at least three of the remaining five runners will have to improve upon yesterday's performances.

Group 1 champ Mater Dei appears to be the favorite, followed by Group 3 winner Red Bank Catholic and Group 4 champion Brick Township.

"I'm very happy we won," said Sad-

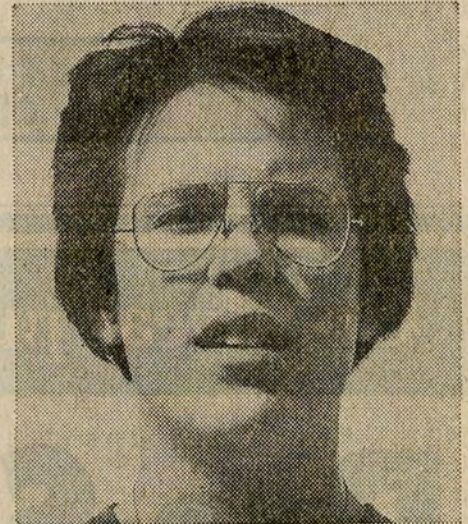

dle Brook coach Howie Schumann yesterday. "I know we're capable of doing the job in the All-Groups meet. We lost a dual meet earlier this season to Red Bank Catholic by two points, and the girls are running better now than they were at that time."

Debbie Ceria (21st), Claire Lange (23rd) and Jo Ann Licata (25th) completed Saddle Brook's top five. Delores Harrison and Amy McLaughlin weren't far behind, running 26th and 33rd, respectively. Saddle Brook would appear to have the most depth of any of the contenders for All-Group honors.

Nina Zollo of Wayne Hills, third in Group 4, and Michele Guido of Paramus Catholic and Kelly Neilan of Fort Lee, fourth and fifth in Group 3, were the best of the remaining local finishers yesterday, advancing to Saturday's meet with all other individuals in the top five of each group as well as the top two teams from each race.

Ridgewood annexed a fourth place in Group 4 and Paramus Catholic a sixth in Group 3, backing up Saddle Brook's winning performance.

Acknowledgements

To the Holmdel Park authorities and Mr. Robert Dunlavy for the efforts extended to the New Jersey Interscholastic Athletic Association in making this beautiful facility available to us today. Our very grateful thanks.

To Mr. C. Edward Keller and Mr. Jack Rafter without whose dedication and cooperation this meet would not have been possible. A special thanks to the Red Bank Catholic Parents' Booster Club for their assistance for both the group and championship meets.

To the N.J.S.I.A.A. and Mr. James G. Grouney, the Executive Secretary Treasurer, for the fine cooperation extended to those concerned with the professional conduct of a meet of this calibre. This close support has been extended for the past few years for the girls' program.

To all those officials who are giving their services for one objective: to make this a successful meet. Their help and cooperation is deeply appreciated.

For the medical services who render the indispensable first aid to those athletes in need of it. Hopefully, their service will not be necessary but in the eventuality that they are needed, it is reassuring to know that they are standing by to assist.

To those loyal group of parents, friends and supporters of cross country who provide the incentive for the "lonely" long distance runner. We thank them for their very excellent display of sportsmanship in the past and congratulate them for their fine cooperation in this meet.

To the "lonely" long distance runner who will achieve this day some degree of recognition for all the long, lonely miles run in the cold, wet and darkness. To those who will win, our congratulations... those who will lose, your efforts have not gone unnoticed.

peace ...mjb

Saddle Brook girls dominate

By Marty Noble
Staff Writer

When Saddle Brook won the team championship in the Bergen County high school girls cross-country meet, coach Howie Schuman said his team "kind of dominated" the competition. Eight Saddle Brook runners placed among the first 20 finishers, six among the first 12. That, indeed, is domination.

So it's not surprising that the Falcons also dominate the 1976 All-Bergen County girls cross-country team. Three Falcons are on the seven-runner first team as selected by the Bergen County Women's Coaches Association, three are on the second team and another receives honorable mention.

Jean Chodnicki, Lucille Pasciolla and Delores Harrison are the Falcons' first-team selections. Joining them are Michele Guido, the County champion, and Megan Sexton, both of Paramus Catholic; Kelly Neilan of Fort Lee; and Alyson Grunder of Ridgewood.

Sexton and Chodnicki are the lone seniors on the first team and Jamie Nicholson of Ridgewood is the only upperclass, second-team selection. The first and second teams include four freshman, four sophomore and three juniors. Since three of the

Michele Guido

sophomores and two of the freshmen are from Saddle Brook, Schuman probably will field a "kind of dominant" team in future years as well.

A look at the first team follows.

CHODNICKI—She was the Falcons leading runner as Saddle Brook won the team championships in the County, Group 2 Sectional and Group 2 State meets, the Passaic County B, Bernards and Ridgewood Invitationals.

Chodnicki had a Garret Mountain personal best of 12:05, placing sec-

ond to Guido in the County meet. She also won the Bernards meet, was fifth in the Passaic County Invitational B, third in the Sectionals and fourth in the State Group 2 and 10th in the State Meet of Champions.

GUIDO—She successfully defended her Bergen County title by winning in 11:57 at Garret. The PC junior also won the Tri-County Conference title, placed sixth in the Passaic County Invitational A race, and third, fourth and sixth respectively in the Group 3 Sectional, Group 3 State and State Meet of Champions races.

Kelly Neilan

Alyson Grunder

GRUNDER—Her best time came in the Northern New Jersey Interscholastic League meet when she ran a 13:04 at Garret and placed second. She did not compete in the County meet because of an injury, but placed 12th in the Ridgewood meet and 14th at the Passaic County Invitational. She finished 15th and 25th respectively in the Group 4 Sectional and Group 4 State meet.

HARRISON—She usually was the Falcons third runner. The Falcon freshman's Garret best was 13:03, which earned her a fifth in the County meet. She also placed 16th in the Ridgewood meet, 13th at Bernards, seventh in the Passaic County Invitational B, 12th in the Group 2 Sectionals and 26th in the Group 2 State meet.

NEILAN—She is one of the two first-team sophomores. She had a personal Garret best of 12:02 while finishing third in the Group 3 Sectional. She also placed third in the Passaic County Invitational B, fifth in the Ridgewood meet, third in the

County, fifth in the State Group 3 and 23rd in the State Meet of Champions.

PASCIOLLA—The other first-team sophomore, Pasciolla usually was the Falcons second runner. Her Garret best came in the County meet when she ran 12:21 to place fourth. She also placed sixth in the Passaic County Invitational B, fourth at Bernards, sixth at Ridgewood, fifth in the Group 2 Sectionals, seventh in the State Group 2 meet and 11th in the State Meet of Champions.

SEXTON—She usually was one step behind her teammate. She ran 13:04 to place sixth in the County meet, placed second in the Tri-County Conference meet, and ninth in the Group 3 Sectionals, running her Garret best of 12:57. She also placed 18th in the State Group 3 meet, 15th in the Passaic County Invitational A and 11th at Bernards.
