DIRECTIONS FOR SCORING:

- 1- Because many coaches and athletes requested cards at the finish line to indicate individual places, we will return to the two-card system.
- 2- Individuals will receive a colored card only at the finish. They will be directed to break out of the chute at a certain point; team members will continue along the chute and also receive a WHITE CARD which indicates TEAM PLACE.
- 3- Coaches are to turn in both cards. Cards must have FULL NAME of the runner. We will ditto the first fifty (50) finishers.
- 4- AWARDS will be given out for both teams and individuals at the end of both races. The announcer will indicate where awards will be given out.
- 5- Coaches and athletes are asked to give our scorers opportunity to do their work by not congregating near the scoring table. Announcements will be made when scores are available.
