COMMENTS: I couldn't believe my eyes when only seven girls got off the bus to make up the entire Wayne Valley team. But the seven they brought were pretty good. We had too much depth and it finally caught up with them in the long jump and the relay. Kathy Vickery was a triple winner in the 100, 200 and long jump. I was extremely pleased the way the girls handled themselves in their first real competition, congratulations to everyone.

COMMENTS: We looked unbeatable today, and FINAL SCORE 81 13
 our times are really impressive. We will have
 the league championships here later in June, and
 I'm real pleased with our performances, except
 the field events. Julianne Babbit must like this
 track with two personal bests in the hurdles and the 400 m.
 Marci Capitani almost ran out of her socks in the 200 m.

COMMENTS: This is the first year for the Clifton team, and they were pretty weak in most events except for the 800 m. Kathy Vickery jumped a beauty in the long jump-15'plus. and Marci Capitani ran another sub 28 second 200 m. But the surprise of the day was Robin Miller in the hurdles-super time.

COMMENTS: This was a tough one to swallow. FINAL SCORE 47 57
 On paper we are the better team, but we just
 didn't put our act together today. Beth
 Holleran really hurt us in the sprints, in which
 we figured to split, and only one hurdler showed
 for the meet, that just killed our chances.
 We have one more shot at the cross town rival in
 the league championships next Friday.

I thoroughly enjoyed coaching the girls team this year. Each year I'm amazed how competitive the girls are, and each year they get better and better. This had to be one of the best teams I have coached since the great team of 1977. This years team for the first time included seventh and eighth graders, and what a plus for us. A couple of very impressive records were set this year, Marci Capitani's 200 m. time of 27.6, will stand in the record books, so will Julianne Babbit's 16.7 in the 100 m. hurdles, likewise the 1600 m. relay against Geo Washington, with Joann Casey, Julianne Babbit, Marci Capitani and Kathy Vichery. Thanks for a great season, one I will long remember.

Because most of these records are in inches, feet and yards and we have converted to meters this season, it puts every record in jeopardy.
