COMMENTS:

We divided the whole team into two squads; SMITH'S vs PARISH'S. It has rained for three or four days before this Wednesday and we were doubtful if we could pull it off. In fact, when we left BF to go to Bergen Community College it was still raining hard. This was the only date we could use the track, so I took a chance on the rain. We arrived around 4:15 and it was still drizzling. Despite the cold and rainy weather, we had some excellent times. We couldn't throw or jump because of in inclement weather. Jenny Bourn's performance in the 100m raised a few eyebrows, very fast times considering. Cris Giambalvo win in the 200m was a shocker, it was a blanket finish; I impressed with the team speed. Times in the 400m were very good, considering three of the five girls are seventh graders. Tina Oldenburg challenged Genny Razik right to the wire in the 3200m race. The final score: Smith 64
Parish 60

COMMENTS:

FINAL SCORE 44 60

This meet was almost postponed, it rained all weekend. We weren't really prepared for this our first meet. We are still figuring out who should go where, in what events. We had a traveling squad of (56) girls, requiring two bus trips. We only scored (5) first places, which wasn't enough. Getting shut out in the 1600m and the 400m really hurt, combined with only one point in the long jump. Marci had a nice double in the hurdles, but after that we had only two other individual winners. Darcy Nicholson surprised herself and the coach, with her gutty performance in the 800m race. We swept the 200m, which was unexpected. We have a lot of work to do to get ready for the season. We scheduled this meet early, to get a look at our strengths and weaknesses.

RECORD: 0-1

* PERSONAL BESTS

COMMENTS:

This meet was for 9th graders only; it was also run during our Spring vacation break. I was very pleased with our overall performances. Both junior high schools traveled to New Milford together, boys and girls teams. Outstanding performances in the 100m by Marci and Jeanne started off the development meet. We knew immediately that the track was fast and the weather perfect. Next, Marci and Lisa teamed up in the 100m Hurdles to finish one two. Jessica surprised Hilary Vance in the discus throw, to take another first place. All three girls in the triple jump, were performing for the first time, with no real practice. Marci taking 2nd Jeanne taking 5th. The 400m relay team ran away from the competition, winning by 15 meters. We only competed in half the events and next Friday, we finish the other half. It was a low key, fun experience for everyone, something we should do more of in the beginning on the season. We had (4) 1st Places and (3) 2nd Places.

COMMENT:

FINAL SCORE 71½ 50½

This meet was a lot closer than the score indicates. The turning point in the meet came, when Marci won the 200m from Ragland of TJ. Genny Razik's double victory in the 1600 and 3200m was icing on the cake. The 7th grade relay team ran super, with Jenny Bourn anchoring, and passing the TJ runner on the last turn to win by 15 meters. Tanya Baker had a mishap in the high jump and had to be taken to the hospital with lower back spasms. I'm sure she is okay. Record: /-/

COMMENTS:

FINAL SCORE 77½ 36½

This was a rarity, a home meet, if you can call it that, at BCC. The weather conditions were perfect and we had a super day. Tina Oldenburg easily won the 1600m as did Genny Razik in the 400m race. One of the most thrilling finishes came in the 400m for 2nd and 3rd, between Stephanie Arnott and Km Hughes, with Stephanie winning by a whisker. Linda Sigillito put on a tremendous finishing kick and past six runners down the stretch and held off Nerine D'arcy to take second behind Darcy Nicholson. Jenny McGuire had her best day in the long jump as did Lisa Waters in the triple jump. Jessica Berg had a nice double in the weights. Its' nice to win. RECORD: 2-1

COMMENTS:

FINAL SCORE 57 47

Clifton only had about (12) girls on their team, and we agreed to not contest the triple jump for that reason. The twelve girls they had were quite good and with Marci Capitani still nursing a hamstring pull, we weren't sure of the outcome. Clifton swept the 400m hurdles and took 1-2 in the high hurdles and led 25-20 after five events. Tina Oldenburg ran the race of her life in winning the 1600m race as did Sharon Williams in the 800m race. Sweeping the long jump really helped the winning cause. I was very happy to leave here with a victory. Jessica Berg had her best day in the discus and Amy Meyers provided valuable points in both the shot and discus. RECORD: 3-1

COMMENTS:

TEAM FINISH

We had (13) personal bests on the day, the girls performed liked champs. Its tough to single out any one individual, but Marci's double win in the sprints was impressive, considering she was still suffering from a slight tear in the hamstring. Jeame McGuire surprised everyone in the league by taking 2nd in the 100m with her best ever time of 13.1. Jessica Berg had her best day ever, winning the shot and taking second in the discus. Genny Razik took 1st in the 3000m out kicking Karen O'Brien. Sharon and Lisa had their best days also.

1st	George Washington	56 pts.
2nd	Hackensack	46
3rd	Ben Franklin	44

COMMENTS:

FINAL SCORE 38 48

We are missing a couple of key people due to sickness and poor attendance in practice. We didn't contest the 60m low hurdles and the 60m dash is a new event, along with the 800m relay. It didn't help the sprinters, when we forgot the starting blocks. This meet is for 7th and 8th graders only. The 9th graders usually handle all the responsibilities having to do with equipment. No one really had a good day except Noelle Chislett in the shot and discus. Tanya Baker looked good in the 400m, recording her best time and Linda Hockey finished strong to take 3rd place. Jenny Bourn turned on the jets in the 200m, followed by Schmitt and Daut across the finish line; only to find out the race was 10m short. Darcy Nicholson had her fastest time of the year, but was beaten easily in the 800m. This Quark girl is one of the best athletes in the area. The whole track meet came down to the relay, a little misunderstanding about the distance, didn't help our effort. The quartet tried their best. RECORD: 3-2

COMMENT:

TEAM RESULTS

Relays take on a carnival type atmosphere, with events taking place so fast, most coaches really like type of meet for that reason. At the last minute we had to jumble our line-up, because Darcy Nicholson

went home sick in the middle of the school day. We captured (5) sets of ribbons, only to be outdistanced by Oakland, the relay champs, with (7). It was a fun day for both boys and girls and I really enjoyed myself. The outstanding meet performances were by the entire 400m relay team, winning their heat and taking third place. Janet Moritz in the distance medley ran best of the season in the 800m leg. Linda Sigillito turned in her best 400m leg in the Sprint Medley and Jenny Bourn in the 1600m Relay looked good. Noelle Chislett in the Discus.

Oakland	24 pts
George Washington	14
Hackensack	12
Ben Franklin	11
Westwood	11

20. Linda Hockey	1	0	1

COMMENTS:

The team scoring honors go to Genny Razik for the most points scored during the dual meet season and Jeanne McGuire for most points over the combined regular and championship season. Championship points are scored with 5 points being awarded to a 1-5 place finish in the big meets. It was close tally between Marci Capitani and Jeanne McGuire, with only the slimmest of margins separating the two. It was also nice to see so many people score, 25 out of 32 girls on the team contributed to the winning effort.

SPECIAL THANKS AND APPRECIATION

MR. JOHN SMITH who worked with the weight team

MR. FRANK MOBILIO for all his hard work and
effort during the season

HOW CAN YOU FORGET

The 1982 girls track season was fairly short; starting March 15th and finishing on May 27th. This years turn out was tremendous, with a high of (72) girls at one time on the team roster. By the time the end of the season rolled around, we had (32) still coming to practice everyday. The Friday parties in the small gym were a big hit with both boys and girls teams. Lets not forget the Scavenger Hunt or getting soaked, while running in the down pour on Vesta Court. The season opened in the rain, with an interquad meet at Bergen Community College, which was considered our home track this year. For obviously reasons, the Ridgewood High School track is being replaced with an all-weather variety, and will not be available at all this season. Not having a place to practice, really hurt. The regular season opened with a loss to George Washington and closed with a loss to Westwood. I sounds like we had a bad season, on the contrary, we won everything in between those losses. The highlight of the season was the N.N.J.I.L. Track and Field Championships at Hackensck, with (13) personal bests, from a team of only six girls. As a coach, I couldn't have been more proud. As a result of Marci Capitani's double win in the League Championships, she was invited to Meet of Champions at Tenafly. This has to be the highest honor any 9th grader can possibly attain. The ninth grade track team was quite small, but they provided the needed leadership to make this season, the success it was. Some special resognition goes to the following people:

CLARE TOUMEY for her team leadership and for never missing a practice.

JEANNE McGUIRE for winning the team total in most points scored over the combined seasons, beating out Marci by a $\frac{1}{2}$ pt.

JENNY BOURN for her performance in the Westwood dual meet and her leadoff 67.5-400m leg in the 1600m relay at the Westwood Relays.

NOELLE CHISLETTE for her sudden development at the end of the season in the discus.

MARCI CAPITANI who was considered by many as the unofficial captain of the team and who led by example all season long.

DARCY NICHOLSON for her great stretch run against G.W. winning by a yard in the 800m, and her dedication to the sport.

GENNY RAZIK for her double win at Thomas Jefferson, Teaneck and her final kick in the league championships, taking 1st place in the 3000m race.

JESSICA BERG for ~~her~~ dedication all season long on the weight team, taking 1st in the shot and 2nd in the discus in the League Championships.

LISA WATERS for her determination all season long and maturing into a fine champion she is today.

KATYH WYLIE for her tremendous improvement in the 1600m race, from a preseason time of 7:09 to a 6:29 at the Westwood dual meet in just two short months.

THE 1600m RELAY TEAM for winning second place at the Nanuet Relays in 4:25.6 (Williams-Waters-McGuire-Capitani).

THE 7th GRADE 4-LAP RELAY TEAM at Thomas Jefferson, Teaneck for running the race of their lives (Nicholson-Hughes-Peckham Bourn).
