COMMENTS: Final Score - Ridgwood 93, St. Joseph's Regional 39
A wet but fairly warm day provided the backdrop for our first dual meet
in '89. Though we are relatively inexperienced, we handled this meet like a
veteran team.

Double winners: Chris Hamlin - 100/LJ, Tim Geckeler - 400/200/TJ, Craig
Halyard - 400IH/110HH, Jim O'Leary - 800/1600Relay. Pat Rae shocked All
County shot putter Steve Rice winning this early season contest with a throw
of 48'8 1/2". James McLaughlin continues to run well as a senior "rookie".

Solid show for Ridgewood in Arcadia

By Paul Schwartz
Correspondent

Although most of the local track activity last weekend took place at the Rutherford-Lyndhurst Relays and the Bulldog Relays, several other events were of interest to area runners.

Ridgewood traveled cross-country to the Arcadia Invitational in Arcadia, Calif., just outside Los Angeles and enjoyed some success in the West's most prestigious high school invitational. "It was unbelievable," said Ridgewood coach Dick Van Yperen. "It was a standing-room-only crowd of 15,000 spectators, and there must have been at least 60 schools there. But the weather was pretty brutal — over 100 degrees on Saturday."

Craig Halyard set a Bergen County outdoor record of 48-2 in the triple jump, breaking his own 1988 mark by 0.75 inches. Halyard finished second in the event.

Jen McDermott was fifth in the girls triple jump but added 8½ inches to her Bergen County

record and set a New Jersey record of 39-5. She also finished fifth in the long jump with a leap of 18-6¾.

Tim Geckeler finished sixth in the 400 meters, but his time of 49.27 was the sixth fastest in Bergen County history and makes him a threat to break the year-old record of 47.17 set by Walt McCall of Hackensack.

Ridgewood was invited by meet director Doug Speck, the high school editor of Track & Field News and was supposed to bring their national quality distance medley girls relay team. But Jean Hughes is still recovering from a bout with mononucleosis, limiting the entry to Halyard, McDermott, Gaeckler, and seniors Patrick Rae and Matt Giffuni.

"I'm worried about a letdown," said Van Yperen. "Coming back to this 50-degree weather could be a real shock. The California schools

are seven weeks into their season, and we're about a week into ours. So I was happy with the performances."

In less tropical climates, Fair Lawn took fourth in the boys 3,200 relay; fourth in the girls 6,400, the shot put, and the high jump, and third in the girls discus at the Nanuet-Elks Relays at Nanuet High School (N.Y.) Saturday.

The Bayonne boys and the North Bergen girls won the Hudson County Interscholastic Athletic Association Relays Saturday. Bayonne won the high jump, the long jump, and the 400- and 800-meter relays to edge St. Peter's Prep and Hudson Catholic, 39-32-32. North Bergen captured six events — the long jump, the 800, the 3,200, the 6,400, intermediate hurdles, and shuttle hurdles for a 56-48 margin over St. Dominic Academy.

TRACK NOTEBOOK

Saddle Brook shoots for an unprecedented third consecutive Group 1-2 title at the Bergen County Jack Yockers Relays which begin this afternoon at New Milford. Ridgewood goes for a third consecutive 3-4 title starting this afternoon at Englewood.

Three schools, St. Joseph Regional from 1967-1972, Paramus Catholic from 1974-76, and Hackensack from 1980-82 have won three consecutive large-school titles.

Ridgewood has won the last seven large-school girls titles, but figures to battle Teaneck in an attempt to make it eight in succession. Dumont will defend the small-school girls title.

Kennedy hopes to repeat its boys championship at the Passaic County relays at Wayne Valley Friday and Wayne Hills Saturday, while Wayne Valley shoots for a sixth consecutive girls title at Passaic Valley, Friday and Wayne Hills Saturday.

COMMENTS: Final Score - Ridgwood 89, Montclair 39

Our second dual meet victory is a result of many personal bests and a team effort. Every event produced midseason performances. Tim Geckeler lead the team winning three events. Craig Halyard ran two quality hurdle races and won both horizontal jumps. Pat Rae and Eric Boucher are double winners. The real story of this meet was in the continued improvement of almost all our athletes.

COMMENTS: We found out how tough it is to be repeat champions. As favorites to win our third consecutive County Relays, we felt the pressure. Hackensack surprised everyone with a nearly perfect three days of competition. They dominated finishing first by scoring 43 points to our second place score of 34 points.

We are not a championship team yet, and to win this kind of meet everyone has to contribute personal best performances. We did get personal bests from James McLaughlin, Eric Boucher, Tareck Anis, Peter Apostle, Matt Krever, and Patrick Rae. However, a relay meet is a team championship which depends more on team efforts rather than individual efforts.

On Friday, disappointing seconds in the 4x200 and 3xtriple jump put us at a deficit we never made up on Saturday despite two great wins in the Sprint Medley and 4x800. Sunday's win in the postponed long jump only pulled us into second place ahead of Ramsey.

Every year this meet provides a turning point for good teams. The question is how will our team respond, now?

COMMENTS: Final Score - Ridgewood 81, Passaic 50

For some this was the fourth straight day of competition after a three day Bergen County Relays weekend. We had some sore and tired bodies by the end of this meet. Craig Halyard slightly pulled a hamstring muscle long jumping at the beginning of the meet, but T.J. Crocker aggressively took his place garnering important points in the 400IH and the 110HH. Our distance runners scored 23 points and Patrick Rae won both throws with outstanding distances. Once again we swept the pole vault by having competitors in that event. By the end of the meet we had control enough to pull some people out of the 200 allowing Passaic to sweep. Passaic only won four events in the entire meet.

Comments: Friday went well with a new school record in the 4x100 on a beautiful sunny day. Saturday turned sour with clouds, rain, Craig Halyard's pulled hamstring and a dropped baton in the 4x400.

Craig was in second place going into the finals of the triple jump but pulled his hamstring on his first jump in the finals. He ended up 4th. Then Tim Geckeler had the baton knocked out of his hand at the start of the 4x400. The day seemed to get darker, colder and wetter.

COMMENTS: Final Score - Ridgewood 79, Paterson Eastside 52

An ugly win, but nevertheless a win which brings us to a record of 5 wins 0 losses. Once again T.J. Crocker was our dependable point scorer winning three events and placing third in a fourth event. Two freshmen scored for the first time -- Yusik Choi in the triple jump and Peter Beisler with a great personal best in the discus. Our pole vaulters swept their event scoring key points, and a sweep in the 3200 solidified the win.

COMMENTS: Final Score - Ridgewood 85 1/2, Clifton 45 1/2"

This meet was switched to Ridgewood after Clifton's sprinkler system washed out their track.

We had a solid day, winning easily with 15 athletes participating in the score. Chris Hamlin continues to improve and run well, Our pole vaulters once again dominated, and Jeremy Pollok won two events for the first time. Also our distance runners ran with confidence.

Our last league meet of the season is home against Kennedy H.S. this Monday. Both Kennedy and Ridgewood are undefeated in the league.

COMMENTS: Final Score - Kennedy 68, Ridgewood 63

We fell short of an undefeated season and a NNJIL Atlantic Division dual meet championship by three points.
What a meet! This was a head to head battle that went down to the 4x400 relay with both teams running seasonal best times in the relay. Patrick Rae coming off an injury came from third place on his last throw to win the discus, Tim Geckeler had two big wins against two of the best sprinters in the State, Matt Giffuni ran his seasonal best in the 800, Chris Hamlin gave the points we needed in the three events, and our distance runners ran as a team contributing 23 points.

We can come back to beat Kennedy in the NNJIL Championship Meet this weekend.

Ridgewood sweeps

NNJIL TRACK

By Paul Schwartz
Correspondent

MONTCLAIR — Ridgewood won the Northern New Jersey Interscholastic League Atlantic Division boys track and field meet Saturday with some help from Passaic, Montclair, a dropped baton, and a senior class trip.

Ridgewood also won the girls Atlantic title, 68-62, against Passaic, and Pacific Division titles were won by the Hackensack boys and Teaneck girls.

Because dual meets count for 60 percent and Saturday's meet for 40 percent of the championship score, Ridgewood, who lost to Kennedy in a dual meet last week, needed to win the league meet and finish at least two places in front of Kennedy.

The Maroons scored 51½ points and won three events and finished second in four others. They were led by an impressive 200-400 double by Tim Geckeler and Eric Boucher, a sophomore who scored 12 points by winning the 1,600-meter run and took thirds in the 800 and 3,200.

The Maroons then captured the championship when Passaic finished 1-2 in the triple jump and won the 1,600 relay to take second place with 42½ points, just ahead of Montclair, which finished with 39 points. Kennedy, missing its top two pole vaulters who were away on a senior class trip to Florida, slipped to fourth with 35 points.

"But what really hurt us was dropping the baton in the relay,"

said Kennedy coach Ken Samra. "We finished fourth and ran 3:30. If we'd won it, I'm sure our triple jumper would have done better in the final event, and we could have pulled out second."

"It's probably the biggest win in years for Ridgewood boys track," said Maroons coach Dick Van Yperen. "We haven't won a league championship since 1976 and our depth was able to overcome an injury to Craig Halyard, who is our star. Tim had a poor day at Bernards last week, running 51.7 for the 400, but he was just super to-

day."

Geckeler's 48.7 in the 400 equaled the second fastest time in Bergen County history and his 22.1 in the 200 places him ninth all-time.

The Ridgewood girls held off Passaic to win the title. Passaic had led with four events left, 51-48, but Ridgewood took third in the 400, finished 2-3 in the 1,600, was second in the 1,600 relay, and won the triple jump, outscoring Passaic 20-11.

"We're very happy with winning this meet this year," said Ridge-

wood girls coach Jacob Brown. "The dual meet was won by about an inch in the relay [62-60] and this meet was almost as close."

Lynne Collazo and Jen McDermott each won two events for the Maroons, who also recorded eight second-place finishes in 14 events. Eastside's Starla Anderson swept the sprints with an impressive 12.3 in the 100, 25.5 in the 200, and 58.1 in the 400.

The Pacific individual girls star was Vickee Foy of Paramus, who

swept the 800, 1,600, and 3,200, but Teaneck won nine of the other 11 events for a overwhelming 90-44 victory against Paramus.

Teaneck junior Matilda Miranda won the 200 in 25.4, the ninth fastest time in Bergen history, and ran a personal best 57.3 in the 400, the third fastest quarter ever run by a Bergen County athlete. She also anchored the 1,600 relay team.

"We're trying to get the whole team to become more consistent," said Teaneck coach Cheryl Miller-

Porter. "Today was a very good step towards that."

Hackensack's boys continued their surprising success with a 65-56 victory against Teaneck. Gerald Spears, Earl Griffin, and Rasheed Goodlowe of Teaneck combined to win five events and scored 52 of the Highwaymen's 56 points. But the balanced Hackensack effort, led by double-winners Stan Finney and Glen Evans and a tremendous 1-2-4 finish in the pole vault, with Jason Roer's 13-foot, 6-inch vault, overcame Teaneck.
