COMMENTS: This was a great team win! I watched our 4x400 win the meet as our whole team cheered them on in the stands, and I thought that this team has grown into a great team with character. Bergen Catholic next Tuesday will present a battle for the NNJIL Championship. Both teams are undefeated going into our last home dual meet of the season.

1600: Bob Keino 4:13.43 STATE CHAMPION

Keino closes incredible career with defense of 1,600 crown

By JIM LAMBERT

It seemed like just another ordinary race for Bob Keino.

As had been the scenario so often in the past, it was Keino against the clock. But there was nothing ordinary about this 1,600-meter race for the All-America from Ridgewood.

This was his final high school race.

So as Keino took the four-lap tour around South Plainfield's Frank Jost Field for the last time during yesterday's NJSIAA's Meet of Champions, the crowd of 3,500 seized the moment. They stood and screamed encouragement to Keino, who has captivated the faithful track followers since his arrival from Kenya in 1991.

Keino, trying to run faster than he did on Saturday when he won the Group 4 1,600 in a meet record 4:09.35 on the same track, was on pace to do that as hit 800 in 2:04, two seconds ahead of Saturday's pace.

But a strong headwind on the backstretch took its toll and Keino could only manage 64 and 65 splits,

slow for his standards, as he crossed first to a roaring standing ovation in 4:13.43.

Keino became just the third person since the inception of the boys' Meet of Champions in 1969, to win consecutive outdoor 1,600 titles. Last year Keino won a thrilling duel with Jackson's Rich Morris in 4:11.42.

"Being that this was my last race, I wanted to run faster," said Keino, who will join his brother, Martin, a red-shirt senior, at the University of Arizona this fall. "The wind did affect me a little bit, but I ran hard and am happy. It's a nice way to go out."

In his career, Keino, who didn't lose a race on the track since the spring of 1992, won two outdoor M of C 1,600 titles, one indoor M of C 3,200 title, two state cross-country titles, the 1994 Millrose Scholastic Mile (4:14.31) and the 1994 Penn Relays Scholastic 3,000 (8:29.93) and the 1993 Foot Locker Northeast Regional Cross-Country title.

"The Northeast Regional victory was probably the most satisfying," said Keino, who will return to Kenya next month for the first time since he came to the United States. "I say that because I was hurt (strained Achilles) and not feeling good, so that victory will always stand out."

Keino's father, Kip Keino, was a two-time Olympic gold medalist for Kenya.

Keino, who will go down as one of most dominant scholastic distance runners this state has ever seen, can't believe all that he has accomplished.

"I never imagined that this could all happen to me," said Keino, who finished fifth at the Foot Locker Cross-Country National Championships in December. "It's like a dream. "But I will miss it, especially the people that have been so good to me since I arrived."

One fan summed up Keino perfectly as he stared in awe as watching him run.

"The man is inhuman," said the elderly onlooker. "What an incredible performance. He's one of the best runners I've seen in years."
