RIDGEWOOD HIGH SCHOOL

MEN'S TRACK & FIELD 2000

You see them running on the track
How totally inane
Who'd want to run in circles
What is it that they gain
You see them throwing on the field
They throw, then throw some more
Why are they out there every day
What are they throwing for
And what about the jumpers
They jump for height and length
What makes the jumpers try so hard
When so deplete of strength
These are the things that people say
The ones outside the sport
But those who that run or throw or jump
May offer this retort
We run and throw and jump to see
The limits of our skill
And test the true intangibles
Of inner strength and will
To put it all on the line
For everyone to see
Will help us learn life's lessons
And find humility
The world is filled with people
Who can't be first place
But life has special meaning
For those who run the race

Dear Ridgewood Alumni,

Thanks to your consistent generosity and well wishes, the sprint medley relay team of Ridgewood High School, came in second at the Nationals this weekend.

As a member of that All-American team, I want to personally thank you for the support you gave. It was your support that afforded us the opportunity to distinguish Ridgewood's Track and Field program from the rest of the nation and enabled us to reach the highest level of competition for high school track and field athletes. This weekend's efforts will always be remembered by four young men as an honored experience.

Gratefully,

Dan Cooper

Dear RHS Track and Field Alumni,

I want to personally thank you for your generous donations that have Allowed the RHS program to explore the depths of its talent by traveling to Different places across the country. Most memorable was a trip to the Foot Locker Nationals in Raleigh, North Carolina. Partnered alongside Fellow seniors Josh Kauke, Dan Cooper, and junior Steve Pawlowski, we Placed second In the Sprint Medley earning a spot on this year's All-America team. Without your donations this may not have been possible. I am greatly appreciative of all of your generosity and thank you very much.

Sincerely,
Andrew Dolgin

As I prepare myself for the final races of my career as a member of the Ridgewood High School track team, I know that in the races to come I will represent more than just myself. With the generous contributions of you, track alumni, I will be racing to represent the tradition and prestige which Ridgewood High School track has grown to represent. The donations which we have received have given myself and Ridgewood the chance to represent itself nationally. In Sacramento, at the Golden West Invitational, I placed fourth in the 800m. Even though I was disappointed with my performance, the trip was a success. I hope to take what I have learned in California and use the second chance Nationals in North Carolina represents to reestablish myself where I feel I belong. In addition to my own 800m, I have a strong feeling that our Sprint Medley Relay can bring home a national championship. We are all psyched for the race and will represent ourselves, our coaches, and the school, to the best of our ability. None of this would not be possible, however, without the gracious donations made to the program by you, the Ridgewood High School track alumni. I extend to you my utmost gratitude and thanks for giving me and my teammates this priceless opportunity. Thank you for helping to continue the tradition of excellence.

Sincerely,

Joshua A. Kauke

ATHLETE OF THE WEEK

Extra practice makes perfect

By RON FOX
Staff Writer

Track practice at Ridgewood may be over, but not everyone leaves for home.

"We stay another two hours," Bergen County pole vault record holder Dan Cooper said about his ring of fellow enthusiasts who can't pull themselves away from the vault pit. "We have a boom box going and we keep jumping. We love it. And if it gets too dark to jump, we go inside and drag the mats behind us."

It's fun, but also beneficial. Cooper set the record March 12 with a 14-foot 3¾-inch vault while finishing fifth in the National Scholastic Track and Field Championships at New York's Armory Track and Field Center.

Track could have been a major part of Cooper's life earlier, considering his father, Don, is a longtime track coach. "I almost didn't do track at all because it really didn't appeal to me," the 5-foot-11, 168-pound senior says. "I'd run the mile in the fifth-grade Olympics, but that was it. I played freshman football and freshman basketball. When I decided to give track a try, I still didn't see myself doing it when I got older."

By spring of that year, the novice cleared 10 feet and won the Bergen County freshman championship. "I could run pretty fast and I had decent strength, so I figured I could vault."

Cooper credits the people he met that year for his quick transition. That includes older teammate Dave Warton, who is now at Taylor University in Indiana. "There were a lot of good jumpers and working with them and watching them helped me jump better," The Record's Athlete of the Week said. "I jumped with Dave my freshman and sophomore years and he's my best friend to this day. I even started going to his church [Grace Church in Ridgewood]."

Cooper will continue vaulting in college, most likely at his first choice, the University of Maryland. He's also an able sprinter. On March 10 in the same national meet, he ran a 22.9-second opening 200-meter leg of the relay. He, Josh Kauke, Chris DiPasquale, and Andrew Dolgin ran 3 minutes 31.10 seconds — the third fastest time in New Jersey history — to finish seventh. The State record is 3:30.30. The foursome was ninth in the national outdoors last spring in North Carolina.

Ridgewood had no pole vault coach until Cooper's father, Don, resigned as head coach at North Arlington High School and signed on as an assistant under Mike Mullin this season. That made the season even more special.

"My dad's been coaching me anyway," the vaulter said with a laugh, saying their union on the track has gone smoothly. "He doesn't get frustrated and quit on me and that's important because I'm a pretty hard kid to coach."

Cooper figures he might major in education, since his mother, Sharon, is a third-grade teacher and his father a physical education instructor.

Graphics art/design is another possibility. "I've done the whole graphics program in school; there are no more classes left," he said. "I might study Web site design. It's a lucrative field and it's new."

On the side, he designs T-shirts, some bearing the name of Ridgewood's upcoming football opponent, which the players wear under their shoulder pads.

LATEST ACCOMPLISHMENT

Cooper set the Bergen County record with a 14-foot 3¾-inch clearing to finish fifth in the National Scholastic Track and Field Championships in New York on March 12.

BACKGROUND

Through freshman year, Cooper played basketball during the winter. He also is a star running back in football and scored a pair of touchdowns in Ridgewood's playoff loss to Teaneck. Two days before his honor week began, Cooper was part of the seventh-place relay team in the same meet.

QUOTE

On trying the pole vault: "I have a flair for doing nutsy stuff, and it looked interesting — run hard, bend a pole, and fling myself in the air."

Comments: The meet wasn't team scored but I thought we had a pretty good showing. It was nice to see how a meet will be run and to compete against other teams to see where we stand. We still have a lot of work to do. We need more triple jumpers and long jumpers. We must get more out of the throws as well. The distance runners have to be more confident and have high goals, translated… hard work! We have Ridgewood Relays on Saturday followed be a double dual meet vs Passaic and Barringer on Tuesday. Let's get focused!!!

Giorgio could top his record-setting brother

When your last name is DiGi- ıot put, the expectations are

e Glenn DiGiorgio has had no a[illegible] foot- t. Prep, [illegible] HUDSON

[illegible] hoolboy history

Also this season, DiGiorgio won the state Group 4 title (59-6¼), the Meet of Champions (60-5¾) and Eastern States honors (59-5½).

Team of the year: A very you[illegible] talented Memorial team won its third straight [illegible] County Interscholastic Athletic Association title[illegible] 44 verdict over runner-up Lincoln. It also tied [illegible] eter's for the HCIAA relay title.

Ridgewood's Kauke didn't disappoint

Performer of the year: After Josh Kauke of Ridgewood asserted himself as one of the top half milers in the nation last spring, a lot was expected of him this indoor season. He didn't disappoint.

The Princeton-bound Kauke won the NJSIAA Meet of Champions last spring and then placed fourth at the National Scholastic Championships in Raleigh, N.C. He picked up right where he left off this winter.

Kauke was among the top 800-meter runners in the U.S. this season, and came up with his best race when he ran 1:54.1 to place second at the Varsity Classic at the 168th Street Armory in Manhattan.

After winning the state Group 4 title in 1:57.59, Kauke added the indoor M of C title to his resume, winning in 1:57.42. After a subpar ninth place in the 800 in 1:57.80 at the Eastern States meet, Kauke bounced back and closed out his season by finishing ninth in 1:55.89 at the National Scholastic Championships.

BERGEN

Team of the year: Hackensack may have lost a ton of talent to graduation off its state championships team of a year ago but, under coach Ed Church, it was still the cream of the crop in Bergen County. Hackensack won the Bergen County A Division Relay title with 84 points.

Coach of the year: Guided by coach Mike Urso, a former track star at West Orange, River Dell placed second to Westwood by just two points in the B Division at the Bergen County Relays and was second to Fort Lee in the Bergen County Scholastic League American Division.

Newcomer of the year: There were a lot of candidates for this one, but Don Bosco Prep freshman Dorian Bryant takes this honor. At the Bergen County championships Bryant, who moved from Paulsboro to Teaneck before the school year, won the 55 dash in 6.5 and was second in the 300 in a state freshman record 36.1. At the state Group 3 meet, Bryant was fifth in the dash in 6.85 and was eighth at the Meet of Champions in the dash in 6.78.

Field event performer of the year: It's a shame that the long jump and triple jump aren't contested on the state level indoors. If they were, a lot more people around the state would be familiar with John Augustynowicz of Rutherford. At the Bergen County Championships, Augustynowicz leaped 21-5½ to win the long jump and 46-5 to capture the triple jump.

Quote of the year: This came from [illegible] Kauke of Ridgewood after he split 1:53.9 to bring [illegible] across seventh in the sprint medley in [illegible] National Scholastic championships.

returned to his alma mater two years ago to try to restore the track program to its former glory. And, he has succeeded. This winter, Memorial won the Hudson County and Hudson Coaches track championships and the county relays, all for the third straight year.

Best reaction of the year: When Danny Chaves of Secaucus won the state Group 1 3,200 title on Feb. 13 at Jadwin Gym in Princeton in 9:54.40, he stopped, threw his arms up in the air and looked to sky.

"I was just so happy," Chaves said. "It was just such a good feeling."

Meet of the year: It looked like Memorial was a cinch to win HCIAA Relays on Jan 10 at the 168th Street Armory in Manhattan. It had a commanding lead with just four events to go, but St. Peter's came storming back to win three of the final four running events to earn a 60-60 tie with the Memorial and a share of the title. The key was the 4x800, which Memorial was favored to win but mistakenly forget to check off that event on its entry sheet.

Doing something as a relay team is so much more satisfying than doing something alone."

Comments: We came in 3rd out of 16 teams (see posted results) which is pretty good. I was encouraged by the way we competed and got involved in this first meet. We still have some work to do, but I think we have the makings of a very good team. Special congrats go to Dan Cooper for breaking the school record in the pole vault with 13'7".

Comments: It was a tough meet, but it was a win. Congratulations on being 1-0. We had some great performances especially, Dan, Josh, and Andrew. Others that made great contributions such as Chris Perez and Bernard Mann. I don't think this was a great meet for us though. We need more of those 2nd and 3rd places. Make sure you finish the race and focus on winning as a **team!**

Pequannock impressive in its opener

PARAMUS — Tropical Storm Floyd may have forced the event to move, but they're still the *Ridgewood* Relays.

The Ridgewood girls track team made sure of that, winning the large schools title Saturday at the meet their school started hosting in 1984. This time, however, due to a damaged home track, the Maroons did so on a foreign track — the brand-new surface at Paramus High School — scoring 77 points to top Pennsauken (52) and Tottenville (51).

In other action, Union (79 points) won the large school boys meet, with Ridgewood (49 points) taking third and Don Bosco Prep (48 points) finishing fourth. In the small schools meets, the Shoreham girls (66 points) and the Hanover Park boys (87 points) won, while the Pequannock girls (63 points) and Cresskill boys (49 points) teams each finished in third place.

"We've had a pretty good run in this meet," said Ridgewood girls track coach Jacob Brown, who is also the meet director. "We probably win it every other year. I'd also like to thank the people at Paramus. They acted fast when we had a need."

This season, the Ridgewood girls team has received a "a nice infusion of youth," according to Brown, who credits the role senior captains Eileen Farrell, Lesley Bruno, Jess Gregg, and Karen Brey have played in creating spirit on the team. Two Ridgewood freshman, Corrine Hyslop and Trisha McGowan, teamed with junior Meghan Anderson to win the high jump, one of four events the Maroons won.

A youthful infusion also has occurred in Cresskill and Pequannock, where freshmen Amy Van Wingerden, Dana Usinowicz, and Nikki Cassano helped the Panthers finish just two points out of first place.

"I knew we had talent," said Pequannock coach Rick Mullins, "but this [finish] is a surprise, no question. Let's just say that this team has the potential to be pretty good down the road. We have all the events covered. We really don't have a weakness."

Usinowicz and Cassano teamed with sophomores Katie Healy and Meridith Gribben to win the 400 relay, with Van Wingerden, Usinowicz, and sophomore Meredith Vest combining to win the 400 hurdles. Pequannock also won the javelin — behind Vicki Bajek, Nicole Tottle, and Monica Iglesias — despite the absence of Erin Vanderberg, the Meet of Champions backstroke winner, who will rejoin the team in a few weeks after [illegible] swimming competition ends.

Comments: A was very pleased with you guys in this meet. We came in 3rd out of 20 teams, but the most important part was your competitiveness. I thought you were tough and really tried your best in every event. We had many places in this meet including in the frosh and novice races. Congratulations and keep up the great work!!

Passaic rallies past Ridgewood

By TIM LEONARD
Staff Writer

ENGLEWOOD — While many of their opponents preferred to bask in the warm sunshine, the Hackensack track team found the only bit of shade available at Winton White Stadium on Saturday. Actually, they built it.

The Comets boys and girls teams took their turns congregating in a three-room cabin dome tent with a screen room, which they put up at one end of the field before the Englewood Relays. The location gave them not only a place to relax and lie down while waiting for their events, but it also provided an outstanding vantage point to watch the boys team run away with the title.

The Hackensack boys won all three throwing events and had strong finishes in the sprints to score 96 points, easily outdistancing Christian Brothers Academy, which finished with 72. Ridgewood was third with 66 points, followed by Passaic with 50 and Fort Lee with 37.

Passaic earned three first-place and three second-place finishes to outpoint Ridgewood for the girls title, 82-77. The Indians won the sprint medley, high jump, and shot put and scored points in 11 of the 16 events. Immaculate Heart Academy was third with 64⅓ points, followed by

ENGLEWOOD RELAYS

North Rockland with 60 and Hackensack with 38.

"It was a lot of fun watching people who never camped try to put together a tent that they bought yesterday," Hackensack coach Ed Church said. "One of the problems with a place like this is there's no shade. It's not a good idea to sit in the sun and bake."

The tent was the brainchild of juniors Stephanie Borg and Evana Santee. They collected money from their teammates and purchased the home away from home Friday. As the meet progressed, the large tent filled up with Comets enjoying their new toy and showing off their medals.

Karon Singleton had two of them. Singleton took gold in the shot put and discus relays. The junior threw a 47-3 in the shot put and was just over 128 feet in the discus. Teammate Jack Kropilak put the shot 50-7 and Marlin Townes tossed the javelin more than 133 feet, showing the depth of the Hackensack roster.

"Balance is the key in a relay meet," Church said. "You can't just have a sprint team or a distance team or a field team. You have to have them all."

Hackensack certainly did. The Comets set a school and County record in the 800-meter relay, as Melvin Sampson, Marcus Evans, Johnny Sylvain, and Gene Bascom clocked in with a 1:30.0. The Comets scored in 13 of 16 events. The three events in which they didn't score were the only three in which they didn't participate.

On the girls side, Ridgewood took an early lead but Passaic went ahead, 64-63, after 13 events. The Maroons won the final event — the 1,600 relay — but the 10 points for that victory served only to make the final score closer.

"We lost a dual meet to Passaic on Tuesday and lost to them again today," Ridgewood coach Jacob Brown said. "They're really good."

Passaic achieved the balance Church referred to, scoring points in 11 of the 16 events. Ridgewood got points in 13 events, but the Indians added four third-place finishes to their multitude of firsts and seconds.

Passaic took control of the meet when Alexandra Medrano, Krysta Shepardson, Otisha Mathis, and Shakira Williams easily won the sprint medley in 4:21.4, exactly five seconds faster than second-place IHA.

Comments: You are now 4-0. Super job! We had some nice performances on this cold, blustery day. Great job by Duran for two 1st's, by John Grubb for a 1st and a 2nd, by Chris DiPasquale for three 2nd's, by Bernard for placing in 4 events, and by the hurdlers. We are getting better and you are doing well. We have the county relays this weekend and we have to focus on this and be at our best.

Comments: We had a little bit of a rough start then really started rolling as the meet went on. You performed well under difficult conditions. It was very cold out there today. Awesome job by Dolgin getting 4 1st places in this meet! Super job by people who stepped up and got big points in their events. Great job by the throwers! You are really starting to throw well. Congrats to the team for being 3-0!

THE RECORD'S BOYS RANKINGS

BERGEN GROUP 1-2

1. **Westwood** — The Cardinals won the BCSL American and Lyndhurst Relays and defeated four teams in dual meets in order to take the favorite's role at this weekend's Bergen Group 2 Relays.
2. **Ramsey** — The Rams lost to Westwood by fewer than six points in the Lyndhurst Relays after taking second to Newton in the Season Opener Relays. But Wayne Hills beat the Rams in a dual meet.
3. **Lyndhurst** — The Golden Bears hope to win the Group 1 Relays for the first time Saturday after third-place finishes in the Season Opener B Relays and the Lyndhurst Relays.
4. **Glen Rock** — The Panthers, as is their early-season custom, are laying low on Saturdays, but are 5-1 in duals, with their only loss to Group 3 power Garfield. They should contend for the Group 1 title.
5. **Cresskill** — Another Group 1 contender, the Cougars were third in the small school Ridgewood Relays and sixth at Lyndhurst.

Also — North Arlington, Ridgefield Park.

BERGEN GROUP 3-4

1. **Hackensack** — The Comets have done nothing to change the preception that they may be the best balanced team in New Jersey after winning the Season Opener Relays by more than 80 points and beating State power Christian Brothers easily at the Englewood Relays.
2. **Ridgewood** — A 70-61 dual-meet win over Passaic was sandwiched between third-place finishes in the large school Ridgewood Relays and the Englewood Relays. The Maroons will be a contender in this weekend's Bergen Relays.
3. **Don Bosco Prep** — The Ironmen beat Montclair a Nutley after finishing fourth in the large school Ridg wood Relays and taking third in the Nanuet Relays.
4. **NV/Demarest** — The Norsemen are undefeated in t NBIL and finished fourth in the Season Opener Relays should be a great battle for the Group 3 Bergen Rela title.
5. **Garfield** — The Boilermakers have beaten Glen Roc Saddle Brook, and Manchester, all solid teams.

Also — Bergen Catholic, Fort Lee, River Dell, St. Josep

PASSAIC/E. MORRIS

1. **Wayne Valley** — The favorites to win the Passaic Cour Relays are undefeated in duals this spring. They pro ably qualified for Penn Relays with a brilliant 10:3E distance medley clocking at the Englewood Relays a took second to Hackensack at the Season Opener mee
2. **Passaic** — A tight nine-point loss to Ridgewood in a du meet followed by a fine fourth-place performance in t Englewood Relays make the Indians dangerous th weekend.
3. **West Milford** — The indoor Passaic County runners- have had only dual-meet success so far but expect see them in the thick of things this weekend.
4. **Lakeland** — The defending County champs have lost lot, but still had nice early-season wins over Pass Tech and West Orange.
5. **Wayne Hills** — Guy Rose and Joe Mendel may have tak their considerable talents to Ohio State and Connec cut, respectively, but the cupboard is far from bare wins over Ramsey, Fair Lawn, and Northern Valley at C Tappan attest.

Also — Eastern Christian, Kennedy, Manchester, Pass Tech.

Comments: We had an outstanding meet. We gave Hackensack a run for their money and did a great job finishing 2nd in this meet. People really stepped up and performed well. Congrats to the pole vaulters for a school record and to the sprint medley team for a meet record. I was impressed with the way the whole team competed in this meet. Keep it up!

Defending champions all repeat

By PAUL SCHWARTZ
Staff Writer

OAKLAND — All eight team champions successfully defended their group titles Saturday at the 39th annual Bergen County Jack Yockers Relays at Indian Hills High School.

Glen Rock swept the boys and girls titles in Group 1 and the Ramsey (2), St. Joseph Regional (3), and Hackensack boys (4), and Westwood (2), Northern Valley at Demarest (3), and Ridgewood girls all retained their titles.

BERGEN RELAYS

The closest battle took place in boys Group 2, where Westwood and Ramsey had a seesaw battle the entire two-day meet. Westwood led by three points going into the final event, the 1,600 relay, but Ramsey won the first heat. Westwood needed to place second overall to hold off the Rams but the Cardinals' anchor runner lost the baton, either through contact with an Englewood runner or on his own with 250 meters to go. Westwood finished fourth, enabling Ramsey to win, 108-105.

Controversy marred the Group 2 girls mert, won by Westwood, 98-90, over Ramsey. The Rams were disqualified after winning the sprint medley for fouling Englewood on the first exchange.

Kristen Novack, Kim Mineo, and Leah Jerome were part of four winning teams and Erin Henry won the outstanding track performer award as Glen Rock defeated Hasbrouck Heights, 115-94, for the girls Group 1 title.

Jen Austin tied a Bergen County record by throwing the javelin 145-3 and her Garfield teammates set a Bergen County three-girl record of 350-6 in Group 3, but Demarest, with triple wins from Carlin Ponce de Leon, Lisa Corey, and Christine Siebold beat Pascack Valley, 95-58.

Ridgewood won its 16th title in 19 years in Group 4, 121-116, over Immaculate Heart.

Ridgewood's Josh Kauke helped the Maroons set a meet record in the sprint medley with a sizzling 1:52.6 800 anchor leg and also ran a 48.6 400 anchor in the 1,600 relay, but Hackensack rolled to its third straight Group 4 boys win, 132-99.

Immaculate Heart's Caitlin Smyth handing off to Amy Giacobone in IHA's win in the Bergen Relays Group 3-4 sprint medley.

Comments: Congratulations on being undefeated and 6-0. Again a super job in bad conditions. Great work by Coops with 3 1st's, John Grubb with 2 1st's, Josh with 2 1st's, and Dolgin with 2 1st's and a 2nd. We are performing well and you set yourself up nicely for a meet with BC and Hackensack all being undefeated. Keep it up.

Penn Relays events draw local talent

By PAUL SCHWARTZ
Staff Writer

It's called the Penn Relays, and most of the running is relay racing at America's oldest continuously run track and field meet.

But for some of the top high school athletes in the East, the addition of individual events makes just qualifying for the Penn Relays special .

The meet, which runs April 27-29, has gradually added events, beginning with the boys pole vault, high jump, and shot put in 1961, and five girls events in 1978. It now includes 10 individual events each for boys and girls, including all seven field events, the intermediate hurdles, mile run, and 3,000-meter run, all with limited fields and extremely high entry standards.

This year, 13 area athletes have been accepted in the events.

The two athletes with the best chances to medal and perhaps earn a victory are Garfield senior Jen Austin in the javelin and Kennedy soph Tawana Watkins in the 400 hurdles.

Austin, seventh in the event last year with a throw of 135 feet 4inches, has already thrown the javelin 10 feet farther this year and has been consistently in the 140s. She is ranked second behind two Pennsylvania throwers in the event, which begins Thursday at noon.

Watkins, who had only run one intermediate hurdle race at this time a year ago, ran 59.71 for fourth in the National Scholastic championships last spring, and is ranked fifth in the race, one of the day's first at 10:25 a.m. Thursday.

Hackensack senior Beth Androski is one of the runners in Thursday evening's 3,000 meters, at 6 p.m., and Renee Wilson of Hasbrouck Heights and Liz Pendleton of Wood-Ridge have been accepted into the first girls discus, Friday at 10 a.m.

Will Arroyo of Ridgefield Park, the Group 2 state javelin champion, hopes to overcome an early-season injury and compete in Friday's javelin throw at 1:30 p.m., and Matt Elkas of Ramsey and Marlon Townes of Hackensack will compete in the 2:30 shot put.

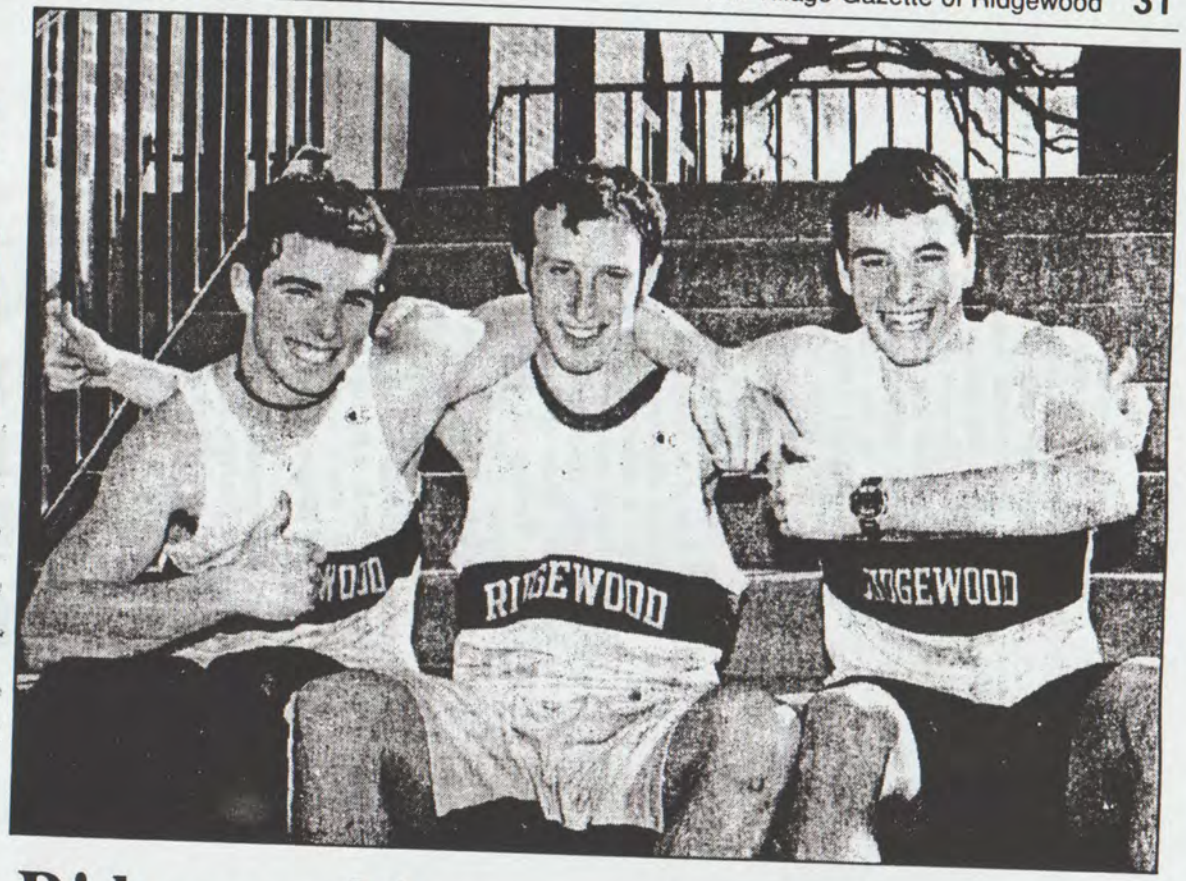

Both Brian Burns and Joe Robinson of River Dell were accepted into Saturday morning's 9 a.m. boys 400 hurdles race, but Robinson, who broke a leg high jumping Saturday, won't compete. Dan Cooper of Ridgewood will become the first area vaulter in several years to compete (Saturday, 10 a.m.), and Martyn Moskovich of Fair Lawn and Frank Kozibroda of Wood-Ridge will compete in the boys discus, at 9 a.m. Saturday.

Ridgewood boys on track for a title

6-0, WAY TO GO!-- Still unbeaten after six dual meets, the boys track and field team from Ridgewood High School is gearing up for its showdown with defending NNJIL/Atlantic Division Champion Hackensack at 10 a.m. Tuesday, April 25. In that meet at Della Torre Field in Hackensack, the Maroons will face Bergen Catholic, as well as the homestanding Comets contingent. Ridgewood, which went 6-2 last year and finished third in the league standings, opened its current campaign by bashing Barringer, 119-12, and passing Passaic, 70-61, on April 4, before clipping Kennedy, 87-44, and baffling Bloomfield, 84-47, on April 12, and, most recently, clocking Clifton, 76-46, and emberring Eastside, 96-26, on Tuesday, April 18, to move to 6-0 overall. The 2000 edition of the Maroons track team is captained by the trio of 12th-graders above: Dan Cooper (pole vault, 100, 200, 4 X 400), Andrew Dolgin (long jump, triple jump, 400, 4X4) and Josh Kauke (400, 800, 1600, 4X4), and is guided by fifth year head coach Mike Mullin, left. Ridgewood, which finished second to Hackensack, but ahead of Don Bosco Prep at the Bergen County Group 4 Relays on Friday and Saturday, April 14 and 15, is slated to take part in the Penn Relays on April 28 and 29 and the Bernards Invitational on May 6, prior to the NNJIL Championship Meet on May 12 and 13 at Clifton Schools Stadium.

Comments: I really like the way this team is coming together. It is a smaller team than I am used to, but the comradery and the efforts that I see is outstanding. We had some special efforts made by people to win this meet over the vacation. Josh did a super job by running and winning 3 events, Dolgin was great winning 3 events, Bernard did well placing in 3 events and it was nice to see people like Steve Pawlowski, Steve Pskowski(no spelling mistakes), Jon Roth, Chris Perez, Jason Stofkoper Dan Patino and Chris DiPasquale step up and get us some places. You had a great dual meet season. Congrats.

Comments: You were beaten by a better team and that happens sometime. They are very deep in every event… a tough team to beat. All in all though you competed well and have given them some trouble in this meet as well as in the county relays. We have a nice club and will make some noise in the championship season. Let's set goals and be focused for the month of May!

A relay great show

Jones leads U.S. women to 800 mark

By BERT ROSENTHAL
The Associated Press

PHILADELPHIA — The United States conquered "the world" — and set a world record — at the Penn Relays on Saturday.

Competing against teams from Africa, Asia, and the Caribbean, the American relay teams, with Marion Jones, Maurice Greene, and Michael Johnson running sizzling anchor legs, swept the men's and women's 400-, 800-, and 1,600-meter events.

PENN RELAYS

Those relays were billed as "USA vs. the World," and the Americans, always powerful in the sprints, showed their prowess.

The most impressive performance came in the women's 800, where the USA team raced to a world record of 1 minute 27.46 seconds, breaking the 1:28.15 set by an East German team 20 years ago.

Jones, the 1999 world champion at 100 meters, also brought the USA women's team to victory in the 400 relay in 42.33, breaking Franklin Field and Penn Relays records.

Greene, the world-record holder and two-time world champion in the 100, keyed the men's 400 relay team to stadium and meet records of 38.22, and anchored the 800 team to victory in 1:19.92.

Surprisingly, the men's 800 team was overshadowed by TCU, which won the collegiate relay at 1:19.67, breaking its NCAA mark of 1:20.20 set in 1986.

Johnson, the world-record holder and Olympic gold medalist in the 200 and 400, powered the USA team to victory in the 1,600 relay at 2:56.60, the fastest in the world this year and the fastest ever at Franklin Field. The USA women, with Jearl Miles Clark anchoring, completed the sweep, winning the women's 1,600 relay at 3:25.96.

"It was awesome," Jones said of the oldest and best-attended of the nation's relay carnivals. "I was ex-

Hasbrouck Hgts., Ramsey win medals

PENN RELAYS

By PAUL SCHWARTZ
Staff Writer

PHILADELPHIA — Gregg Leone wasn't concerned when he found himself in sixth place on the anchor leg of Hasbrouck Heights' class relay Saturday morning at the Penn Relays.

"I was saving up for the last turn," Leone said. "I wanted to stay close so we could go after the medals [awarded for the first three places in each race] on the last lap."

Leone passed two runners quickly and found himself with only one more to beat — the runner from archrival Lyndhurst. "They beat us in the County Relays and we're running them again Wednesday in a dual meet," Hasbrouck Heights coach Bob Brady said. "I hoped Gregg could catch him."

Leone did, capping a seasonal best 3:32.58 and helping the Aviators win one of two sets of medals awarded area athletes in the 38 class races that are one of the highlights of the third day at Penn.

Junior standout Gary Gagliardi had one of the day's top area 400 legs, running 50.7 to give the Aviators a big lead. Junior Bill Victolee and senior Mohit Badlani ran the other Heights legs.

Ramsey's relay team had earlier run 3:33.43 to earn the other set of area medals as anchor Brian Rodak outran Pingry's anchor for a third-place finish.

"This is my third year and it's definitely awesome to win medals here," said Rodak, who followed junior Bill D'Elia, senior Matt Grissoni, and junior Keith Nowack.

"It's a great feeling."

The four area athletes who competed individually Saturday in the invitational events fell short of medals, although they performed fairly well.

The best performance was turned in by Brian Burns of River Dell, who was 10th in 56 seconds in the intermediate hurdles despite a lingering battle with bronchitis.

"Everything's been going bad lately," said Burns, who later ran a solid 50.5 leg on the Golden Hawks relay team. "When I checked my meet shoes today, I found that they were cracked, so I had to buy a new pair. They're great shoes, but I wish I'd been able to break them in first."

Frank Kozibroda of Wood-Ridge was 10th at 147-8 and Martyn Moskovich of Fair Lawn 11th at 144-2 in the high school discus, missing the final.

"I think I was more nervous this year because I really wanted a mark," said Kozibroda, who had fouled three times in last year's competition. "I didn't throw that well, but my last throw was just outside the sector and was probably the best throw I had all year."

Ridgewood pole vaulter Dan Cooper, the first area vaulter in nearly a decade to compete at Penn, cleared the opening pole at 13-9½ and finished 12th.

"I'm disappointed that I didn't clear the second height," Cooper said. "If I'm going to be vaulting 15 feet by the end of the year like I want to, I have to have better days that this."

Other North Jersey relay teams and their times and places:

Hackensack (seventh, 3:26.38 with a Randy Clarke 50.8 split); Ridgewood (sixth, 3:30.11 with a Josh Kauke 49.3 split); Englewood (fifth, 3:32.06 with a 49.9 split by Tony Yamasaki); Lyndhurst (fourth, 3:33.32); Bergen Catholic (fifth, 3:33.78); Don Bosco Prep (ninth, 3:34.80); River Dell (10th, 3:36.76); Clifton (ninth, 3:37.48); Wood-Ridge (eighth, 3:37.95); Northern Valley at Demarest (fifth, 3:38.12); Teaneck (11th, 3:38.36); Indian Hills (ninth, 3:39.67); Saddle Brook (eighth, 3:39.92); Northern Valley at Old Tappan (15th, 3:43.22), Fair Lawn (12th, 3:43.49), and St. Joseph Regional (11th, 3:43.63).

Watkins unable to overcome hurdle

By PAUL SCHWARTZ
Staff Writer

PHILADELPHIA — Kennedy's Tawana Watkins struggled Thursday in an event in which she was favored to medal, finishing eighth in the 400 intermediate hurdles as Sheena Johnson of Gar-Field (Va.) won a record third straight Penn Relays championship at Franklin Field.

Watkins, a sophomore, ran 61.83 seconds, well off her Passaic County record of 59.71 set in June, but knows what she must do to improve.

"I chopped the first hurdle badly, and I didn't get into a rhythm for a few hurdles," said Watkins. "I'm not used to running in the fifth lane and the first hurdle seemed to come on me too quickly."

Watkins battled back and was in fourth place with two hurdles to go, but the strain of getting back into the race told and she faded to seventh in the heat and eighth overall.

"I really need to work on my hurdle form," said Watkins, whose time was her sixth-fastest ever and faster than the Passaic County record before she started running the event. "I know I can run fast but my form isn't good."

Garfield's Jen Austin did medal, placing fourth in the javelin with a throw of 136 feet 1 inch, well below her County record of 145-3, but three places and 5 feet farther than she threw last year.

PENN RELAYS

"I'm very disappointed that I didn't throw farther or finish higher," said Austin, who finished behind surprise winner Nicole Bobiak of Villa Walsh (Pa.), whose winning throw of 141-4 was nine feet better than her previous best.

Ridgewood also suffered a disappointment, running nearly four seconds slower than its indoor best in placing 11th in a 3,200 relay among large schools, combining for a time of 9:48.36.

While the time was the eighth-fastest ever run by a Bergen County school, Maroon coach Jacob Brown was not pleased.

"We ran three seconds slower than we did indoors," Brown said. "I thought we had a good chance to improve by a second a kid but I guess the tough meet we had against Hackensack Tuesday took its toll. Maybe we were just flat."

"I ran a really strong first lap and I was just in eighth or ninth place," said junior Jen Zucaro, who led off for Ridgewood. "It scares you because you think you're running well and you're not getting anywhere."

Zucaro, Eileen Farrell, Kelly Behan, and soph Clair Nowakowski made up the Ridgewood team, which has been together since January.

THE RECORD'S BOYS RANKINGS

PASSAIC/E. MORRIS

1. **Wayne Valley** — The Passaic County Relays champions suffered a real disappointment when they missed qualifying for the Penn Relays distance medley.
2. **Passaic** — The Indians led after the first day of the Passaic Relays and won five events in all, led by weight standout Waldemar Augiscinski.
3. **West Milford** — While Wayne Valley and Passaic lead the county, the Highlanders are waiting for either one to stumble to move up.
4. **Wayne Hills** — Wayne Hills had places in 12 of the 16 events at the Passaic Relays for fourth place, but might be hard pressed to duplicate that in the Passaic championships.
5. **Eastside** — Seniors Terrance Gilbert and Owen Tonkins helped the Ghosts to a fifth-place finish at the Passaic Relays.

Also — Clifton, DePaul, Kennedy, Manchester.

BERGEN GROUP 1-2

1. **Ramsey** — The Rams edged Westwood for the Bergen Group 2 title and ran well in winning the Braves Relays. Matt Elkas will throw at the Penn Relays this afternoon.
2. **Westwood** — The hard-luck Cardinals lost the Bergen Relays Group 2 title by just three points but bounced back with dual-meet wins to run their six-year record to 53-1.
3. **Rutherford** — The Bulldogs have terrific sprinters, jumpers, and distance people and won seven Group 2 events at the Bergen Relays.
4. **Glen Rock** — The Panthers won Group 1 easily at the Bergen Relays and will begin their quest for the Triple Crown starting with the upcoming B-PSL championships.
5. **Lyndhurst** — The Golden Bears were a distant second to Glen Rock in the Bergen Relays but will shoot for a third straight league title at their home in two weeks.

Also — Cresskill, Mahwah, North Arlington, Wood-Ridge.

BERGEN GROUP 3-4

1. **Hackensack** — The Comets took last week off from majors competition but look to run well in the 400 and 1,600 at the Penn Relays Saturday.
2. **Ridgewood** — The Maroons had a great meet in finishing second to powerful Hackensack in Group 4 at the Bergen Relays.
3. **St. Joseph Regional** — The Green Knights easily repeated in the Group 3 Bergen Relays and then won the Braves Relays.
4. **Don Bosco Prep** — The Ironmen placed third or better in three events at the Braves Relays in a limited appearance and will run a 3,200 relay in the small schools division of the Penn Relays.
5. **NV/Demarest** — The Norsemen were second in the Group 3 at the Bergen Relays and are one of the top teams in the NBIL.

Also — Bergen Catholic, Garfield, Paramus Catholic, River Dell.

Comments: I like the way this meet is run. It has high caliber athletes and it is only varsity races. We had 4 first places and that's fantastic in this meet because watches are given for 1st place. Those people were, Coops in PV, Josh in 800m, John in the Jav, and the 4 x 400m. Awesome job. Keep it up for the championship season.

vision B title.

"You learn a lot about kids today," said Ed Church, head coach of both Hackensack teams. The Comets' boys, with 176.8 points, rolled to the Division A title, followed by West Milford (68.3) and Pascack Valley (41). The Hackensack girls had a tougher time, scoring 78 points to nip Pascack Valley (76) in the only girls division in the meet.

"That's why we were here today," Church said, "and that's why we put some kids into some tough doubles — because in the County and State sectional meets, that's going to happen. And this, traditionally, always seems to be a hot day, and it turned out to be

third in the triple jump.

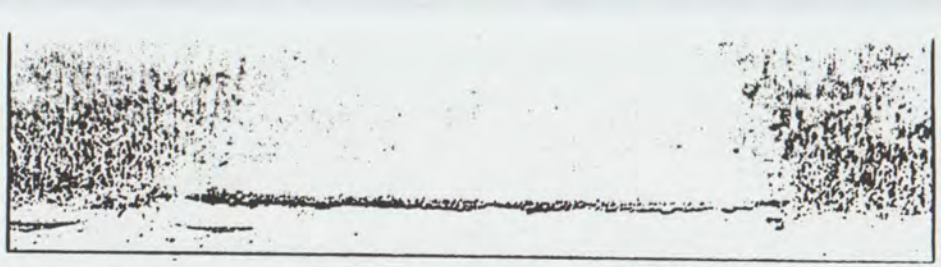

Jamie Lilien of Pascack Valley won the high hurdles and high jump, while Englewood's Thatcha DaCosta won three events, the 100, 200, and long jump. DaCosta's teammate on the boys side, Trevor Harper, won the long jump and triple jump.

"One reason they're doing so well is they don't perform well in the cold," said Englewood coach Curtis Green. "And Thatcha's a girl who doesn't train that much in March. Now she's about to explode. She's about to take off."

Church was especially impressed by Chris Charles of Park Ridge, the runner-up in the 100 at last year's Meet of Champions who won the 100 and 200. Church's eye was also on a Wayne Valley runner, Matt Winkler, who won the 800 in a school- and meet-record time of 1:53.2. "That," said Church, "is big."

"Outstanding," said Wayne Valley coach Al Demarest. "He only ran one race, so he could relax and run it. That's what he did."

Winkler's teammate, Derek Storbeck, won the 1,600, and Dave Heerema led West Milford to its second-place finish by winning the 400 and running on the winning 1,600 relay team.

Ridgewood's Kauke cruises at Bernards

By PAUL SCHWARTZ

COUNTY SEAT TRACK

BERNARDSVILLE — The fields may not be as deep as they had been during the 26 years of the Bernards Invitational, but the hallmark of this meet has always been outstanding individual performances.

Saturday, many of North Jersey's best delivered outstanding performances as the track and field season entered its most exciting month.

Ridgewood senior Josh Kauke began defense of his State Meet of Champions 800-meters crown by running his fastest 800 — a wire-to-wire 1:52.1. The time was the fourth-fastest in County history and puts him within striking range of Roger Jones' 23-year-old County record of 1:50.3.

Kauke's win was one of a dozen Bergen-Passaic wins. Fifteen other North Jersey athletes took runner-up honors as many of the area's best tuned up for next week's league championships.

"I really wanted to run 1:52 today," said Kauke. "When I heard them give my 400 split at 56 seconds [actually 56.2], I knew it was slow and that I had to speed it up.

"Usually I have my biggest problem going from 400 to 500 meters, but it felt smooth and I accelerated through the third 400."

Amazingly, Kauke does not hold the Ridgewood school record yet. That belongs to Chris Rae, who ran 1:51.61 in winning the 1987 State Meet of Champions. Kevin Byrne of Paramus Catholic (1:51.2) has also run faster than Kauke.

Ramsey's Dara Seidman isn't as high up the list in the girls 400 as Kauke is in the boys 800, but the speedy junior won perhaps the most exciting race of the day, out-leaning Danielle Harris of Piscataway in a personal-best 59.1.

"I like not knowing who I'm running against because all I can do is go out, do my best, and focus on my race," said Seidman, whose time is the fastest in Bergen County in three years. "I heard Coach [John Kirchhof] yelling 'Who wants it more?' as we were coming to the finish line. I realized I wanted it badly and was able to win.

"Now I want to do well in the leagues and counties and make it to the State Meet of Champions, something I didn't do last year."

Sophomore Shakia Wyche of Passaic moved into a tie for 14th on the Passaic County all-time discus list by winning with a toss of 114-5.

"It feels great to finally throw against people who can throw as well or better than I can," said Wyche, whom Passaic coach Bill Krzanowski calls the most talented thrower he's ever coached. That's saying a mouthful, since Krzanowski has coached seven of the 13 Passaic County discus throwers to better Wyche's mark.

Kennedy's Tawana Watkins, protecting a slight injury that affects her hurdling but not her running, won the 100 in 12.2, the ninth-fastest time in Passaic history, and Dan Cooper of Ridgewood became the 16th Bergen boy to clear 14 feet outdoors in winning the pole vault.

But not all the outstanding performances came in winning efforts. Ramsey's Maritsa Christoudias battled Sayreville's Claire Inskeep in the girls shot, taking a brief lead on her fifth throw when she threw 38-10½, a school record and the 11th-best effort in Bergen history. Inskeep won the event on her last throw by 9¼ inches.

Jen Austin of Garfield threw 142-8 to win the javelin, just a couple of feet short of her County record and eight inches short of the meet record. Matt Elkas of Ramsey edged Passaic's Waldemar Auguscinski on a better second throw after both threw 56-5.

Clifton's Brian Stewart pulled an upset in winning the 400 hurdles in 57.5.

And the Ridgewood relay team of Hayley Bruno, Eileen Farrell, and Jen and Katherine Zucaro took more than four seconds off their best time and ran the fastest girls 1,600 relay in three years, 4:01.3, to stamp themselves a State contender.

King's spirit reigns through the pain

Ridgewood's Kauke wins 800 in 1:52.1

By Jim Lambert

Josh Kauke usually doesn't shoot for a particular time. The Ridgewood senior runs to win and lets the time take care of itself.

But this time, it was different. This time, the clock was the only thing on his mind.

"I want to run 1:52 today," Kauke said just before the 800-meter run at the 26th Bernards Invitational yesterday in Bernardsville. "That's why I'm here."

His motivation was simple.

"I want to run at the Golden West Invitational and I've been told that they want to see you run 1:52 before they invite you," Kauke said.

If that's true, Kauke may just get an invitation to the Golden West, which is scheduled for June 10 in Sacramento, Calif.

Kauke, after an opening 400 of 56.3, cranked out a 55.8 final 400 and finished first in a personal-best 1:52.1. Kauke, the Meet of Champions winner in the 800 last spring and this past winter indoors, had a previous best of 1:52.52 last spring.

Kauke knew he had to run the fastest final 400 he ever has in order to get the time he was looking for.

"I wanted to go out in 53," Kauke said. "When I heard it was 56, I knew I had to really pick it up."

Kauke, who is headed to Princeton University, said the Golden West meet will invite nine runners to compete in the 800.

"I hope this gets me in," he said. "That's the only thing I was trying to do today."

Kauke, who said he also plans to run the 800 at the National Scholastic Championships in Raleigh, N.C., on June 17, has the potential to become the eighth runner in state history to break 1:50 in the 800.

"That's a goal of mine, but first I want to get down to 1:51, then I'll worry about 1:50," Kauke said.

Kauke wasn't done after the 800.

In the 4x400, Kauke anchored in 49.4 to bring his team across first in 3:27.1.

"What makes this especially satisfying is that I didn't have a real good week of practice," Kauke said. "So I didn't really know what to expect, so I'm very happy with the way I ran."

In other highlights, Jen Austin of Garfield, the Bergen County record holder in the girls javelin at 145-3, nearly broke the meet mark in that event with a throw of 142-8. The meet record of 143-4 set in 1985 by Audra Corson of Monmouth.

Junior Dara Seidman of Ramsey had a big day, winning the 400 in 59.1 and placing fourth in the long jump at 15-10.

Winkler excels in 800

By Christopher Lawlor

Matt Winkler of Wayne Valley is used to a heavy workload.

Typically he runs three events per meet, but yesterday at the County Seat Invitational, coach Al Demarest decided to enter his star distance runner in one event.

Winkler tapped his potential in the 800-meter run with a meet record time of 1:53.2 to edge Marquis Singletary of Hackensack (1:55.2) by two seconds at Wayne Hills High. The performance also smashed the former [illegible] for once."

Winkler, a senior, ran an opening split of 57 seconds, but finished with a strong kick over the final 80 meters to cap his record day.

The Hackensack boys captured the Varsity A Division title over second-place West Milford, 76-68. In Varsity B, Ramsey held off Mahwah, 86-75, for its third consecutive crown.

West Milford struck gold four times. The 4x400 relay of Dave Serrano, Jim Wiltshire, Tom Jennings and Dave Heerema ran 3:33.8. Heerema also won the 400 in [illegible] and

ilford's other victory came from Gilroy in the high jump (6-0).

ATHLETE OF THE WEEK

Speed is name of his game

By JIM DRISCOLL
Staff Writer

His first name, Josh, is easy enough. Then it gets a little complicated, especially for the announcers on TV.

It's Kauke, guys, as in *COW-key.*

"There's always a problem with my name," says Ridgewood's Josh Kauke, The Record's Athlete of the Week. "People can't seem to pronounce it. Generally, they've been pretty good about typing it, but I've heard a million-and-a-half pronunciations. So I generally respond to anything close to it."

The best mispronunciation he's ever heard? "Wood." That's what how the startled announcers referred to Kauke as last spring when he won the 800-meter dash at the State Meet of Champions. "It came out of nowhere," Kauke says. "I guess 'Wood' was short for Ridgewood."

Kauke went on to make a name for himself by winning the 800 at the indoor State Meet of Champions this winter, and Saturday he ran a personal best 1:52.21 to win the 800 at the Bernards Invitational. "Nobody knew his name, nobody could pronounce his name when he won that [first] State Meet of Champions," says Ridgewood track coach Mike Mullin. "But this is a kid who is one of the top track athletes in the country, at least as far as middle distances go."

Two years ago, Mullin had no idea he would ever be saying that. From first grade through his freshman year, Kauke's sport was soccer. Then, as a sophomore, he started running winter track, and one day in the spring of his junior year, Kauke arrived as a star.

That day at the Northern New Jersey Interscholastic League championship meet, Kauke was again facing his nemesis, Hackensack's Thomas Baldwin. Kauke had just lost to Baldwin in the mile, and was now some 40 meters behind Baldwin with 300 meters to go in the 800. This, it turns out, would be the turning point in Kauke's career.

"Something inside me just snapped and I took off," said Kauke, who caught and beat Baldwin — for the first time — by a half-step.

Baldwin, of course, vowed to get Kauke two weeks later at the Bergen County Group 4 meet. Kauke was up to the challenge, and didn't run the mile beforehand, allowing himself to run the 800 fresh for the first time. "And this time I didn't let him get 40 meters on me," he says.

"I still remember that race," says Mullin. "That's the first time we really saw the true potential. That proved he was going to be great."

Kauke crossed the finish line in first place, with a 1:53 — a personal best by an astonishing four seconds. "You could here a buzz in the stands," recalls Mullin. "Everyone was in disbelief. A 1:53 is something special. As soon as you saw the kid run it, you knew this kid was not just another high school runner, this kid is a true college runner, and beyond that, who knows."

Runners-up for the Athlete of the Week are: **Chris Charles** of Park Ridge, **Brian Rodak** of Ramsey, **Alex Verallo** of Midland Park, **Thatcha Dacosta** of Englewood, **Miles Austin** of Garfield, and **Christine Yzaguirre** of Paramus Catholic for track; **Harold Sofield** of Cliffside Park, **Matt Luethke** of Northern Valley at Demarest, **Don Fanelli** of River Dell, **Joe Reid** of St. Mary's, and **Dennis Baylis** of Palisades Park for baseball; **Marianna DelMonaco** of **Park Ridge** and **Stacie Zafiris** of Palisades Park for softball, and **Leroy Robinson of Hackensack** for volleyball.

LATEST ACCOMPLISHMENT

Kauke won the 800 meters at Saturday's Bernards Invitational in 1:52.21. He also also anchored the winning 1,600 relay quartet with a 49.5 split.

BACKGROUND

Kauke, who turns 18 today, played soccer before turning to track. He led the Ridgewood freshman soccer team in goals and made the varsity as a sophomore.

QUOTE

"I wouldn't be where I am today without coach [Mike] Mullin and coach [Mike] Glynn," Kauke says. "They've been priceless in helping me out. I owe a lot to them."

Glen Rock's high roa

Glen Rock continued its tour of out-of-area track meets last week with a victory in the small-schools division at the Randolph Relays for the boys and a runner-up finish for the girls.

The boys edged Ridge, 70-67, despite entering just eight events. They won six.

The team of Rishi Prabhu, Anthony Plekhov, Dan Corey, and Adam Morrone ran the fastest 4 x 110-meter shuttle hurdles by a Bergen County team in 13 years and the 19th-fastest in county history, 63.46 seconds.

PAUL SCHWARTZ

Scott Stephen, Tom Wright, Mike Gibbons, and Craig Agnello combined for an all-underclass 4 x 200 win in 1:34.5. The Panthers also won the 4 x 100 in 45.3 and the 3 x 400 intermediates in 3:03.0.

In the field, Andrew Romano's throw of 140 feet, 4 inches combined with David Clarke and Matt Melillo to win the discus. Stephen threw 162 feet and Clarke 155 to combine with Rob DiChiaro to win the javelin relay.

The girls won six track events but entered only seven and fell three points short of Ridge. Glen Rock warmed up for its BPSL King triumph this week by winning the 4 x 100, 4 x 200, 4 x 400, shuttle, and intermediate hurdles. But its standout performance came in an easy win in the 4 x 1,600 relay in 22:39, with the quartet of Kim Mineo, Liz Saydah, Danielle Patoir, and Erin Henry, all underclassmen, cracking the top 25 all-time in Bergen County.

This week the tour moves to Monroe-Woodbury (N.Y.), with a trip to Long Island on the agenda for next weekend before the County championships.

Westwood's boys also had some success on the road, at the Millburn Relays. No team titles were awarded, but of the 10 events the Cardinals entered, they won five and placed second in two others.

Cassiel Smith, Scott Goldberg, Trevor Hedges, and Ian Schuler easily won the shuttle hurdles in 68.0, and Goldberg, Smith, Edwin Dove, and Ian Sample combined to win the 4 x 100 in 46.5. Westwood also won the 4 x 200, long jump, and intermediate hurdles, and Sample threw an area-leading 185-4 in a second-place javelin relay finish.

The Cardinals also set a freshman-sophomore record when sophs Bryan Karch and Bill Flynn and freshmen Rob Rebelo and Hedges ran 3:44.2 in the 4 x 400 relay.

You came in 2nd out of 9. We had a good meet with some outstanding performances. New meet records were set by Dan and Josh. This means we finished 2nd overall in our league. Pretty good considering Hacky is a dominant team this year. The championship season continues so stay excited!

Hackensack boys drop depth charge

Bosco, IHA also bring home titles

By PAUL SCHWARTZ
Staff Writer

CLIFTON — Every track meet has its glamour event, sometimes because of the strongest field, sometimes because of a close race, and sometimes because of the event's impact on team championships.

It wasn't difficult to select the 800 meters as the glamour event of the Northern New Jersey Interscholastic League meet Saturday, as the four divisional races included one with the strongest field, one with the closest race, and two pivotal meet-deciding races.

As expected, Hackensack's boys and Passaic's girls showed strength and depth and overwhelmed the fields in the Atlantic meets. The Comets won by 79 points over distant runner-up Ridgewood, and Passaic outpaced Hackensack's girls by 41 points.

The favorites eventually won in the Pacific Division also, but the 34-point win by Don Bosco's boys and the 23.6-point win by Immaculate Heart Academy's girls belied the tough battle each team had before the 800s sealed the win.

For Don Bosco, it was a 1-2-3 finish in the event that opened a 14-point lead to 34 and finally shook stubborn St. Joseph Regional with two events to go.

"We didn't have a very good day in some events where our kids just didn't seem to want to run," said Bosco coach John Nepolitan. "But our half-milers bailed us out."

A.J. Franchini won the race in 2:00.61, with soph teammate Matt Horesta placing second and John Daula third. Bosco's only other win of the day came in the pole vault when Jeff Kearns cleared 11-6.

IHA also used the 800 to break open a four-way battle with Montclair, Holy Angels, and Paramus Catholic. Amy Giacobone set a divisional record by running 2:20.68 and leading freshman teammate Caitlin Smyth, who ran a personal best of 2:22.16 in a 1-2 finish that clinched the title for the Blue Eagles.

"To beat a record set by someone like [former All-Bergen star] Kourtney Gallo is really something," said IHA coach George Homsany. "She won the 400 for us [Friday] and led off our 1,600 relay and really is a special kid."

"Special" could also apply to the Passaic girls team, which led by more than 25 points after the fourth event Friday and was never challenged.

NNJIL TRACK

"Can you spell 'dynasty'?" said a jubilant Tony Barbato after his team rolled to a second straight NNJIL Atlantic title and toward a third consecutive Passaic County title Wednesday and Thursday. "These young ladies have worked so hard and have performed so well that they constantly make me proud of them."

Junior Alexandra Medrano, who has enjoyed a fine spring, added a third place in the 200 to her 26 points Friday in leading the Indians, who got a pair of Saturday wins from Yocasta Garcia in the triple jump and 100 hurdles and a win from soph Shakia Wyche in the shot.

The closest event of the day was the Atlantic girls 800, in which Shauna Koenig of Hackensack held off Jennifer Zucaro of Ridgewood by .01 seconds in 2:21.57.

Ridgewood's Josh Kauke edged closer to the Bergen County boys 800 record and beat the strongest field of the day when he ran 1:52.04 (1:51.9 hand time) to win the Atlantic boys race. He helped three others in the race to personal bests, including freshman Ken Sinkovitz of Bergen Catholic. Sinkovitz ran 2:00.07 (1.59.9 hand time), just over three seconds off the 1:56.6 freshman State record set by Plainfield's Hal Hamilton in 1983.

But it was window dressing on another dominant performance by Hackensack, which, despite a subpar performance in the sprints, still scored two athletes in 11 of the 15 events.

"I can't believe our sprinters ran so poorly," said Comets coach Ed Church. "But our throwers threw and our hurdlers hurdled and our distance kids ran real well."

Aaron Richardson led Hackensack's 1-2-4 finish in the 110 high hurdles and Maurice Singletary won the 1,600 for the Comets' only Saturday wins.

Comments:
I was a little disappointed finishing 3rd in this meet. There is no doubt we should have been 2nd. I can think of about 36 points that we should have had. Anyway, the conditions were very tough and I think you really learn things about people in situations like this. I was really impressed with Dolgin and Josh. They not only competed well in the conditions, they excelled. On days like that you just have to find something extra. We still have a few meets left, so let's get psyched to do our best in each event!

St. Joseph scrapes by

Hackensack, Ramsey, GR triumph

BERGEN BOYS TRACK

PAUL SCHWARTZ
l Writer

TEANECK — It wasn't a very good
y for St. Joseph Regional coach Ker- Kolheffer and his Green Knights
ys track team Saturday.
Jon Szucs, a favorite in the 100-meter
sh, pulled a muscle in the trials. Fa-
red high hurdler Ayo Oluwole was
qualified for a false start in the fi-
s. Expected points in the 1,600 and
00 races were lost due to injury and a
nflict with a soccer game that kept
e Knights' top runners from racing.
d favored discus thrower Julio Boro-
i fouled out, missing the final.
So St. Joseph had to sweat out its
ond straight Group 3 title, 76.6-61-
5 over Garfield and River Dell, re-
ctively, at the Bergen County group
ampionships.
While the defending champion Green
ights were struggling in the Group 3
et at the championships, Glen Rock,
msey, and Hackensack were rolling
victories of at least 30 points in
oups 1, 2, and 4, respectively.
But Kolheffer will still take the tro-
y, even though it wasn't just the rainy
d cold weather that made the day un-
nfortable for the SJR coach.
"A lot of kids had to suck it up for us,
cause so many things were going bad,
d it makes it even more impressive
t we were able to come through de-
te all that," said Kolheffer.
"Guys like Pat McManus and Antho-
Toscano did a great job for us like they always do. And today they had to step up even more."

McManus won the 100 in Szucs' absence and Toscano took second in the triple jump and fourth in the 400. Kevin Hemmer was fifth in the 800, James Masi added nearly three points as part of a five-way tie for third in the pole vault, and the Knights' relay finished fifth. After an excellent Friday during which the Knights scored 46 points and opened a big lead, it was enough in a balanced field in which 10 teams scored at least 20 points and eight teams scored at least 30.

The other three victories were much easier.

Ramsey had some struggles, too, with Matt Collins hampered by an injury that drained eight pounds from his thin frame, and some failures in the long jumnp and sprints.

But the Rams have more depth than St. Joseph and defeated Westwood, 112½-81½, led by senior co-captains Brian Rodak Jr. and Matt Elkas.

"They scored 46 points between them," said Ramsey coach Brian Rodak Sr. about Elkas, who won the shot and discus, and his son, who won the intermediate hurdles. "And with our freshman, Andrew Lovrich, coming through with two big races [winning the 1,600 and taking second in the 3,200], that picked up the slack."

Hackensack won only two events Saturday, Owen Pope winning the pole vault at 12-6 when prohibitive favorite Dan Cooper false-started and the 1,600 relay at 3:28.3. But the Comets beat Don Bosco Prep, 179-86, by scoring at least two athletes in every event except the 1,600 and triple jump.

Ridgewood won five events Saturday, with Josh Kauke winning an 800-1,600 double in 1.55.0 and 4:27.1, respectively, and running a 49.2 400 split on the 1,600 relay.

Glen Rock joined the other three schools, outpointing North Arlington, 105-53.2, in Group 1 as Rishi Prabhu completed his hurdle double with a high-hurdles win to lead a 1-2-3 Panthers sweep.

"We practice in this stuff all the time," Glen Rock coach Paul White said about the nasty weather. "A lot of kids also run cross-country or play football and soccer and th
ing in every kind
out a couple of ki
injury, but our dep

Comments:
We came in 2nd in the field of 16. This is the end of our team championship season. We did a nice job. Tremendous effort by Josh in this meet winning 3 events. Congratulations to everyone who has qualified for the State Group IV Meet. These people include: Josh (400, 800, 1600), Coops (PV, 100), Dolgin (TJ), Bernard (LJ), Steve (400IH), John (Jav), and the 4 x 400m. To move further to the state meet of champs you must come in the top 6 in your events this weekend. Good Luck!

Sectional meets primer for States

By PAUL SCHWARTZ
Staff Writer

TRACK

The sectional meets at Wayne Hills and Clifton over the weekend set the table for the State public group track and field championships to be held Friday and Saturday just outside of Atlantic City.

Saturday, the State parochial championships at Hub Stine Field in Plainfield will also be held, with the top six finishers in each of the six groups (Groups 1-4 public and A and B parochial) qualifying for the State Meet of Champions at South Brunswick on June 7.

The sites for the public school and SMOC meets are new and it's still unclear whether both will return to South Plainfield next spring.

Seven group records were set and an eighth tied in Section 1, with Park Ridge's Chris Charles adding three Group 1 titles to his growing collection that includes four league records and three County group records. Charles set marks of 10.2 seconds, 21.9, and 49.7 in the 100 meters, 200, and 400.

Tony Yamasaki tied Mikkel Brown's Group 2 100 record, running 10.8 in the trial, but the Englewood senior lost to Ofori Koram of Ridgefield Park in a controversial final.

Ridgewood's Josh Kauke ran a slow 58.2 first 400 in the Group 4 800, but still set the sectional record of 1:54.7 in a terrific field where all six qualifiers ran 1:58 or better.

Samantha Griffin of Academic ran 12.1 at windy Clifton Stadium to set the Group 1 100 record and sophomore Erin Henry of Glen Rock defeated two-time sectional titlist Christina Mendoza of Hudson Prep in the 1,600 and also took her out of the record book by running 5:14.9.

And defending SMOC intermediate hurdles champ Tawana Watkins of Kennedy lowered her Group 4 record to 61.7 seconds.

BEFORE THE STATES start Friday, one of the most anxiously awaited meets of the season is the 31st annual Lou Lanzalotto Bergen County Meet of Champions today at Hackensack High School.

The field events begin at 3:30 with the highlights expected to be the boys javelin throw. Ian Sample of Westwood, Will Arroyo of Ridgefield Park, John Grubb of Ridgewood, and Stephen Bay of Dumont are all over 180 feet this spring.

The girls shot figures to be a showdown between Jessica Fazekas of Northern Valley at Demarest and Maritsa Christoudias of Ramsey, but four other throwers are over 37 feet this spring.

The running events begin at 6 p.m. with the hurdles and dash trials, with the finals set to begin at 6:45.

Key events include the boys intermediates with five Bergen runners under 56 seconds this spring, led by Brian Burns of River Dell. The girls distance races should all be tight battles.

Meet records in jeopardy include the boys 100, 800, and triple jump and the girls 100 hurdles and javelin.

THE RECORD'S RANKINGS
BOYS TRACK

BERGEN GROUP 1-2

1. **Ramsey** — The Rams blew out Westwood at the Bergen Group 2 meet and are favored to complete a second straight Triple Crown at the sectionals this weekend.
2. **Westwood** — The Cardinals were second in Group 2 at the Bergen meet and hope to improve on their third-place finish of last year at the sectionals.
3. **Glen Rock** — The Panthers have won the last three Group 1 sectionals they were eligible and should make it four Saturday.
4. **Rutherford** — If the meet is close, the Bulldogs, with fine distance and jumping teams, could surprise.
5. **Mahwah** — The young Mahwah team is the Group 2 team of the future.

Also — North Arlington, Park Ridge, Ridgefield Park.

BERGEN GROUP 3-4

1. **Hackensack** — The Comets are favored to become the first team in North 1, Group 4 history to win three straight titles.
2. **Don Bosco** — The Ironmen improved to take second in the Group 4 Bergen County championships.
3. **Ridgewood** — The Maroons slipped to third at the Bergen Group 4 meet but could be in the hunt for the sectional 4 title behind several stellar individuals.
4. **St. Joseph Regional** — Despite a series of setbacks at the Bergen Group 3 meet, the Green Knights repeated their championship.
5. **Garfield** — Garfield's third-place finish in Group 3 last year matched the Boilermakers' best-ever finish. Could a first sectional title await?

Also — Bergen Catholic, Fort Lee, River Dell, Teaneck.

PASSAIC/E. MORRIS

1. **Wayne Valley** — The powerful Indians swept Passaic County and could contend for their first Group 4 title.
2. **West Milford** — The Highlanders have a chance to pull an upset like they did when they shared the 1994 Group 4 title.
3. **Passaic** — The Indians will have a say in the final standings in Group 4 but probably won't finish higher than fifth.
4. **Clifton** — The battle between the NNJIL Atlantic schools continue.
4. **Eastside** — The winner here should take fourth place alone in the final poll.

Also — DePaul, Kennedy.

THE RECORD'S RANKINGS
GIRLS TRACK

BERGEN GROUP 1-2

1. **Ramsey** — No Section 1 team has ever won five straight titles in the same group. Ramsey would become the first this year by winning Group 2.
2. **Glen Rock** — The Panthers will battle small but powerful Academic for the second straight year at the Group 1 meet.
3. **Westwood** — Westwood hasn't won a sectional since 1988, but has five total championships.
4. **Pascack Hills** — The Cowgirls' third-place finish last year in Group 2 is their best ever, and they could improve on that this season.
5. **Ridgefield Park** — Shenee Clarke takes her first steps in an attempt to be the first girls triple-jump State champion.

Also — Hasbrouck Heights, New Milford, Saddle Brook.

BERGEN GROUP 3-4

1. **Ridgewood** — No school has won more Group 4 sectionals than Ridgewood (seven), but the Maroons haven't won since 1994.
2. **Pascack Valley** — The Indians have a good [illegible] wait for another year, but the Blue Eagles did take second for the first time.
4. **Hackensack** — The Comets slumped to third in Bergen 4, but they usually perform well in the sectional meet.
5. **Northern Valley at Demarest** — The Norsewomen have been first or second the last three years in Group 3, but they will be hard-pressed to do that against Northern Valley at Old Tappan and Pascack Valley.

Also — Northern Valley at Old Tappan, River Dell, Teaneck.

PASSAIC/E. MORRIS

1. **Passaic** — The Indians haven't been tested all season, but Vernon and Ridgewood could make for an interesting day as the Indians try to repeat as Group 4 sectional champs.
2. **Passaic Tech** — As they have all year, the sprinters helped PCT place second in Passaic County.
3. **Clifton** — Edith Werpachowska closes out a fine career for the county's No. 3 team.
4. **Eastside** — Eastside won the sectional two years ago but looks only for a top-five finish this year.
5. Lakeland — [illegible]

Comments: A tremendous meet! Special congratulations to Josh for setting a bunch of records and getting named the "Mike Glynn" Track Athlete of the meet, and to Dan Cooper for getting the "Ed Church" Field Event Athlete of the Meet. Tremendous job by both guys and to all who competed in this meet. It is a nice accomplishment just to get to this meet, and yet we excelled as individuals as well as a team (4 x 400). Congratulations.

Kauke runs to glory in 800

By GREG MATTURA
Staff Writer

HACKENSACK — As Josh Kauke headed down the final straightaway of his 800-meter race, the senior from Ridgewood could see the electronic timer next to the finish line and thought, "I have a chance to break 1:50."

No one in Bergen County history has ever broken 1 minutes 50 seconds.

Kauke did not break 1:50, but his 1:50.39 at Tuesday night's Bergen Meet of Champions is the fastest automatic time in county history. Race officials at Hackensack High School also determined that it tied the 22-year hand-timed record of 1:50.3 held by Ramsey's Roger Jones.

"On the final straightaway, I heard the crowd roaring and my eyes were glued to the clock," said Kauke. "I probably shouldn't have done that" because it slowed his time.

Kauke, the indoor and outdoor all-groups 800 State champion, also was part of Ridgewood's winning mile-relay team (3:23.43), and for his efforts received the Mike Glynn Award as the BMOC's Outstanding Boys Track Athlete.

Despite temperatures in the 60s that were not supposed to be conducive to registering fast times, at least a dozen Bergen County season bests were recorded.

Outstanding Girls Track Athlete (Tom Zaccone Award) — Jamie Lilien of Pascack Valley won the 100 high hurdles in a personal-best 14.65 seconds, just .03 seconds off the BMOC record. The senior also captured the high jump in 5-4 and was second in the long jump (16-10¼).

Lilien assumed several other stellar efforts at the BMOC would leave her short of the honor and said, "It's a shock and an honor."

Outstanding Boys Field Athlete (Ed Church Award) — Dan Cooper of Ridgewood pole-vaulted a personal-best 14-7, the third best height in county history. That is was good enough to qualify him for the nationals June 17 at North Carolina State.

"It's been a goal for a while," Cooper said of making the nationals. It broke his previous best of 14-3¾ set indoors and came on the heels of his winning — yet admittedly disappointing — 13-6 at the Group 4 sectional meet. He also ran a leg of Tuesday's winning mile relay.

Outstanding Girls Field Athlete (Paul Schwartz Award) — Maritsa Christoudias of Ramsey and Jen Austin of Garfield shared honors. Austin won the javelin in 148-10 and was fifth in the triple jump at 33-10½.

Christoudias won the sh in 40-2½ and was second i discus (124-10) and javelin 7). Moments after her final was completed, she also set a official meet record for rea the concession stand and sc down two hots dogs with mings. Asked how the victory tasted, she said, "I don't kn ate them quickly."

Boys double winners — Elkas of Ramsey won the c with a personal-best 162-8 took the shot put (57-9½). classmate Christoudias, he was planning to celebrate wit dogs, saying "I'm going to g many as I can with the mo have." ... Chris Charles of Ridge won the 100 (10.82) an 200 (21.96) and was second i triple jump (44-7¾). ... Oluwole of St. Joseph won th high hurdles (14.93) and the jump (6-4).

Girls double winners — A Orimogunie of Queen of P captured the 100 (12.46) anc 200 (25.33). ... Christine Sie of Northern Valley at Dem claimed the 400 (58.99) anc 400 intermediate hur (1:04.49).

WV's Winkler blazes to title

NJSIAA BOYS TRACK

EGG HARBOR TOWNSHIP — Matt Winkler had a goal, to run under 4:20 for 1,600 meters in the State Group 4 boys track championships, something a Passaic County runner hadn't done since Passaic's Curtis McNair set the County record of 4:13.1 in 1986, and something a Wayne Valley runner hadn't done in 25 years.

And even though his instinct said he would do better in the 800, where he had a personal best of 1:53.2, Saturday he went after the Group 4 1,600 field that was loaded with sub-4:20 milers.

"I still hadn't reached that goal," said Winkler, who ran 4:22.1 in losing to Josh Kauke's 58.2 final lap at the sectional meet last Saturday.

Winkler achieved his goal and a lot more, propelling himself into at least co-favorite status for Wednesday's State Meet of Champions at South Brunswick, beating the elite field by more than 15 meters in 4:15.90, the second fastest time in County history. .

"When the race went out in 64 and 2:11, it was exactly my race plan," said Winkler, who won the Group 3 indoor 1,600 but ran poorly in the SMOC because of illness. "They just didn't pick up on me and didn't know about my kick, I guess."

Winkler went through the 1,200 in 3:15.7 and then exploded a 60.2 final 400 to win easily.

"This was the first time in a month I didn't have to triple," said Winkler. "The last time I ran only one race, I ran my 1:53.2."

For Ramsey's Matt Elkas, it was a moment he had worked toward for four years. Practicing with the shot, working out to get stronger, watching film of techniques over and over.

And now he was in the circle for the final time in the Group 2 final, in third place with one throw left.

He reached down, held his hand back long enough to start his glide across the shot put circle, got his right foot properly underneath his right side to get the maximum power, and let it go.

Fifty-eight feet, 11½ inches later it came to earth, 14 inches beyond anything he had done before and two feet ahead of defending champion David O'Rourke of Freehold Boro, who had been leading the competition.

Two minutes later, Aaron Braxton of Kingsway and O'Rourke had come up short on their final throws and Elkas had his title, one of six won by area athletes on the second day of the State meet.

"I knew I had it in me," said Elkas after he hugged everyone in sight, including coaches Steve Hyman and Brian Rodak, his father, and fellow thrower Maritsa Christoudias, who scored in the girls shot and discus for Ramsey. "I was ready and looking for my best throw, and then when I got in the circle it was awesome hearing all the cheers."

"He's as dedicated to his event as any kid I've ever had," said Hyman, who returned to coaching after a 15-year absence two years ago to coach Elkas and Christoudias. "[Former State shot champ] Dave Laube and [former State discus titlist and two-time Olympian] Mike Buncic were the most dedicated kids I'd ever coached and Matt was on a mission. I'm so proud."

The most dramatic boys race of the day was the boys Group 1 800 where North Jersey rivals Gary Gagliardi of Hasbrouck Heights and John Van Goor of Midland Park hooked up.

Gagliardi took the race out and led until the final few strides when Van Goor completed a great stretch run and caught him. The two went over the line together and the judges split on their call, with the first-place judge picking Gagliardi for first and the second-place judge picking him for second.

Minutes later, the photo confirmed a Gagliardi win by a mere .01 in 1:57.94.

Other winners included Chris Charles of Park Ridge, completing a 100-200 double in Group 1, running 21.93 for 200 meters, and Frank Kozibroda of Wood-Ridge winning his first outdoor Group 1 shot title after winning two indoors.

Kauke of Ridgewood, fresh from his prom the night before, a little sluggish but still game, battled from fourth place in the final 150 meters to win his second straight Group 4 800 title. He'll shoot for his second straight SMOC title Wednesday and hopes to be better rested.

Mighty showing by area athletes

Hackensack soph among four winners

By PAUL SCHWARTZ
Staff Writer

SOUTH BRUNSWICK — Monique Mighty's first discus throw at the State Meet of Champions on Wednesday went about 10 feet into the protective net for a foul.

Not a very auspicious start for the Bergen County champion, especially one seeded only ninth in the event.

But as the throwing continued, Mighty, a sophomore, moved up the ladder, finally reaching the finals with a throw of a little more than 113 feet, making her the eighth and final qualifier.

With one throw left in the finals, Mighty was still seventh. Then she unleashed the best throw of her career, 128 feet 9 inches, to shock the field and win the title. She was one of four area athletes who totaled five titles.

"I feel wonderful," said Mighty, who added more than 4 feet to her personal best on her winning effort, to edge favored Betsy Kennedy of Delran by 2 inches. "I knew I had it in me to have a good throw and my coaches have been so great to me. I wanted to throw well to get a medal, but I didn't expect to win."

Mighty's throw tied her for third on the all-time Bergen list, but wasn't the best local performance of the night. Josh Kauke of Ridgewood and Jen Austin of Garfield both improved on their Bergen County records, although only Kauke scored a victory.

Kauke ran away from a sterling field in the 800 meters, running 1 minute 50.19 seconds, 0.20 seconds faster than the record he set at the Bergen Meet of Champions eight days ago.

"When I made my move to get out of the box I was in early, I didn't realize how fast we were going," said Kauke, who grabbed the lead at the 300 meter mark, went through 400 in 53.3, and was never headed. "It's all I could have hoped for, even though I'm a little disappointed I didn't break 1:50."

Austin improved her County record in the javelin twice, throwing 150 feet and 150-9. But even though she had five of the top six throws of the night, she finished second to Amy Krilla of Red Bank Catholic, whose winning throw of 159-8 was a remarkable 23 feet farther than she had previously thrown.

"I'm still really happy," said Austin, whose previous best was 148-10. "I proved my 150 wasn't a fluke when I did it again and I had set my goal at 150 at the beginning of the year."

Last year, Tawana Watkins came to the State Meet of Champions fresh off a freshman record in the intermediate hurdles, but still with her share of doubters as to her staying power.

Wednesday night, Watkins made history twice, becoming the first boy or girl to double the 400 and 400 hurdles. She lowered her Passaic County record to 59.56 in hurdles and missed the county 400 record by less than a tenth, running 54.31. She ranks fifth in the hurdles and eighth in the 400 in State history.

"She finally kept her head down in the 400," said Ken Samra, the Knights coach. "But we still haven't solved her lead leg problem in the hurdles."

That hurdling problem, which led to Watkins going over the hurdles on the wrong foot in nine of the 10 jumps, nearly cost her the race.

Danielle Myricks of Willingboro led easily through eight hurdles, but Watkins had finally pulled even at the final hurdle and was ready to take command. Myricks then missed a step and went down and Watkins breezed to the win.

"I was more nervous in the hurdles than the 400," said Watkins. "I knew I was catching up but I was nervous that I wasn't going to be able to catch her unless I reached the last hurdle.

"I was going to sprint all the way to the finish, but then I saw her go down. It's too bad it happened to her, because she ran great."

John Augustynowicz of Rutherford became the state's first boys triple jump champion, leaping 45-5¼ to beat Chris Charles of Park Ridge by 6 inches. But Charles did all right for himself, taking third in the 100 in 10.53, the fastest non-wind-aided race in Bergen history and the fourth fastest in state history. He also ran a wind-aided 21.45 for fourth in the 200, the fastest automatic time in County history.

In all, more than 40 medals were awarded to Bergen and Passaic athletes, augmented by 13 triple jump medals and the extension of medals to the top eight instead of six in each event.

Augustynowycz rewards coach

By PAUL SCHWARTZ

Except for some postseason competition, including the Golden West Invitational Saturday in California and the National Scholastic meet in Raleigh, N.C., next weekend, the 2000 outdoor track season ended with a terrific State Meet of Champions Wednesday night.

Held for the first time at the new South Brunswick High School track, the meet featured several magnificent performances by area stars Josh Kauke of Ridgewood, Tawana Watkins of Kennedy, Jen Austin of Garfield, and Chris Charles of Park Ridge. It also had a stunning upset by Hackensack soph discus thrower Monique Mighty and crowned the first State triple jump champions, including Rutherford's John Augustynowycz, who enjoyed a touching moment with his coach, two-time Penn Relays college triple jump champion Dave Frazier, a Rutherford graduate who been had pointing Augustynowicz toward the first title.

"He's done so much for me," said Augustynowycz, who jumped 45-5½ to beat Charles by more than six inches. "I have a lot of disappointment for not reaching his school record (47-5½), but it's feels great to win."

"I'm so proud of him," said Frazier, who had a fine college career at Manhattan, where Augustynowycz is expected to compete. "He had a great year and if he'd been able to jump three more times at the sectionals, he'd have had my record, too."

It didn't take a championship to satisfy some of Wednesday's top area performers.

For instance, junior Charles Yalovister of North Arlington was thrilled with his fifth-place medal in the boys discus, throwing a personal best 170-4 and becoming only the second Bergen thrower in 10 years to break 170 feet.

"I'm pretty pumped," said Yalovister, who added 12 feet to his previous best over the last two competitions, including his State Group 1 win a week ago. "Now, I'm going to get to go to Nationals and see if I can keep it going and then start getting ready for next year."

Glen Rock sophomore Erin Henry, fresh off her unprecedented State Group 1 triple last weekend, stepped into her first Meet of Champs and performed brilliantly, running 5:08.64 to finish seventh in the 1,600.

Ridgefield Park's Will Arroyo and Shenee Clarke gave retiring coach Bruce Benny something to remember by placing fourth and second in the boys javelin and girls triple jump, respectively.

Arroyo, hampered by a serious injury to his left [non-throwing] arm last summer and by a recurring hamstring problem this spring, threw a season-best 190-11.

Clarke was edged by two inches in the triple jump, leaping 36-7, but was still proud of her season.

"[Thananya Wooden of Pennsauken] won today," said Clarke, headed for Felician College to play basketball and run track. "But I still had the best jump in the state this year."

Among area runners, only 1994 State champion Jenna Rogers of Ridgewood has run the 3,200 faster in the past 12 years than Melissa Conway of Ramsey did Wednesday. The junior clocked 11:05.66 for fifth place, running through the 1,600 in 5:27, eight to ten seconds faster than she ever had gone through the halfway mark before.
